Date of activity	7 Feb 2024 to 28 May 2024
Objectives	The objectives of personality development for first-year B Pharmacy students focus on enhancing essential soft skills that prepare them for both academic success and future careers. Students will enhance their effective communication skills, both verbal and non-verbal, to interact confidently with peers, faculty, and patients. They will develop teamwork and collaboration abilities, fostering an understanding of diverse perspectives in group projects. Leadership skills will be cultivated to guide and motivate others, while emotional intelligence will improve self-awareness and empathy. Critical thinking and problem-solving skills will be sharpened to address complex pharmacy situations. Time management will be emphasized to balance academic responsibilities efficiently. A strong sense of professionalism will be instilled, including ethical behaviour and respect in all interactions. Additionally, students will learn to adapt to changing environments, build professional networks, and resolve conflicts constructively, all essential for their growth in the pharmacy field.
