Final Year B. Pharmacy (SEM VIII): Project Work

Guidelines by PCI:

- All the students shall undertake a project under the supervision of a teacher and submit a report.
- The area of the project shall directly relate any one of the elective subject opted by the student in semester VIII.
- The project report shall be submitted in triplicate (typed & bound copy not less than 25 pages).
- Students shall be evaluated in groups for their project conducted.

Note: As per the directives of the respected Principal Sir, given are the objectives that are anticipated for a fruitful outcome from the project allotted to the students by their respective guides.

General Instructions:

1. Implementation and awareness among students were related to the recent advancements in the subjects (if the project focused on elective subjects).
2. Students could be introduced and motivated for field work, adaptation of novel methodologies, and literature reviews.
3. Serious efforts and constant monitoring by guides will be there.
4. According to the progress of projects and responses from the students, a review or research paper publication is anticipated.

Final Year B. Pharmacy (SEM VIII): Project Work

All Final Year B. Pharm (VIII Sem.) Students

This is to inform all that as a part of your academic curriculum, you are required to undertake a project under the supervision of a designated teacher. The project should directly relate to any one of the elective subjects opted by you in semester VIII.

The projects will be evaluated based on the following criteria:

- Relevance to the chosen elective subject.
- Depth of research and analysis.
- Presentation and clarity of the project report.
- Practical implementation and outcomes.

Kindly ensure adherence to the mentioned guidelines to facilitate a smooth submission and evaluation process.

For any clarifications or additional information, please contact the designated supervisor.
