ACKNOWLEDGEMENT

We have great pleasure in presenting Project report on "Conservation Agriculture: Enhancing Productivity and Environmental Stewardship".

We would like to express our special thanks of gratitude to our teacher Ms. Kalyani Rajput, Who gave us the golden opportunity to do this project of environmental science. Who also helped us in completing this project. We came to know so many things.

Secondly we would also like to thanks our team who always helped each other a lot in finalizing this project within the time.
