healthcare market. In addition to dental products, they also specialize in herbal and cosmetic products. All their products are manufactured at our state-of-the-art development facilities and have been created after extensive research.

Their commitment to innovation is backed by our modern "WHO GMP" certified manufacturing facilities at Gujarat which complies with the most stringent international manufacturing requirements, and the support of our strong Research and Development Centre.

ICPA enjoys franchise of about 70% dental surgeons along with a significant number of ENTs and cancer specialists in the subcontinent.

Industrial Visit Highlights:

1. **Welcome and Orientation:** Upon arrival, the students were warmly welcomed by the ICPA Health Care team. An orientation session was conducted, providing an overview of the company's history, mission, and achievements. The students were introduced to the company's core values and its significant contributions to healthcare.
2. **Production Facility Tour:** The heart of the visit was a comprehensive tour of the production facilities. Students were guided through various departments, including the formulation, manufacturing, packaging, quality control, and quality assurance units. They witnessed firsthand the advanced machinery, automated processes, and strict adherence to quality standards.
3. **Formulation Unit:** In the formulation unit, students gained insights into the development and design of pharmaceutical products. They learned about the various stages of drug formulation, including research, pre-formulation studies, and formulation optimization.
4. **Manufacturing Unit:** The manufacturing unit showcased the state-of-the-art equipment used to produce pharmaceutical products at scale. Students observed the intricate processes involved in mixing, granulation, compression, coating, and encapsulation.
5. **Packaging Unit:** The packaging unit demonstrated how the company ensures the safe and secure packaging of its products. Students learned about different packaging materials, labeling requirements, and serialization to prevent counterfeiting.
6. **Quality Control and Assurance:** The quality control and assurance departments showcased the rigorous testing processes that ensure the products meet regulatory standards. Students saw how analytical techniques are employed to ensure product quality and safety.

The industrial visit to ICPA Health Care presented students with an invaluable chance to bridge the gap between academic knowledge and actual applications in the pharmaceutical business. The students were impressed by the company's modern manufacturing methods, quality control systems, and regulatory

Subject: Request for Industrial Visit Permission

Respected Sir,

I hope this letter finds you in good health and high spirits. As per the subject cited above, we request permission for an industrial visit to your esteemed organization, ICPA Health Products Limited, located in Ankleshwar, Gujarat.

H R Patel Institute of Pharmaceutical Education and Research is a renowned educational institution dedicated to providing high-quality education and training to aspiring pharmacists. As part of our academic curriculum, we believe in providing our students with practical exposure and real-world experiences in the pharmaceutical industry. An industrial visit to a well-established and reputed company like ICPA Health Products Limited would be of immense value to our students in understanding the intricacies and processes involved in pharmaceutical manufacturing.

So, we eagerly await your positive response.

Thanking you

Subject: Heartfelt Appreciation for the Industry Visit

Respected Sir,

We hope this letter finds you in the best of health and high spirits. We are writing to express our deepest gratitude to you and the entire team at ICPA Health Products Limited, Ankleshwer, Gujarat, India, for granting us the wonderful opportunity to visit your esteemed facility on 31st July 2023.

The warmth and hospitality extended to us by your staff made us feel not only welcomed but also valued as guests. Every member of your team was eager to share their knowledge and expertise, answering our questions with patience and enthusiasm. Witnessing the day-to-day functioning of your industry has given us a unique perspective on the challenges and accomplishments faced by modern-day enterprises. The impact of the visit goes beyond the academic scope. It has allowed us, as students and future professionals, to gain a deeper understanding of the practical applications of theoretical concepts learned in the classroom. It has sparked our curiosity and motivated us to strive for excellence in our chosen fields. We owe special thanks to Mr. S. K. Mehta Sir for his kind consideration and support during entire process to make this visit possible for us.

On behalf of the entire group, we want to extend our heartfelt gratitude to you and your team for making this experience possible. Your industry's contribution to our education and professional development is immeasurable, and we will cherish the memories of this visit for years to come.

We hope to stay connected with ICPA Health Products Limited, Ankleshwer, Gujarat, India and would welcome any future opportunities for collaboration or continued learning. Please convey our gratitude to every member of your team who contributed to making our visit a memorable and enriching one. With the deepest appreciation and regards.

Sir herewith I request you to please arrange to send the hard copy of the letter of industrial visit of our students to your industry on your letter head that is mandatory for any accreditation process of our institute. Please send the same on below mentioned address. Our team forgot to collect the same from your office on the day of visit. Expect a favorable response from your end.

pharmaceutical companies for providing comprehensive and complete healthcare solutions.

One of the salient features of Zydus is its rich history and lineage. The origin of the company dates all the way back to the 1950s. The company was founded in the year 1952 by Mr. Ramanbhai B. Patel (late), a first-generation entrepreneur and a doyen in the field of Indian Pharmaceuticals.

In 1995, the group was restructured and thus was formed Cadila Healthcare under the aegis of the Zydus group. From a humble turnover Rs. 250 crores in 1995 the group witnessed a significant financial growth and registered a turnover of over Rs. 17,000 crores in FY-21.

Adhering to its brand promise of being dedicated to life in all its dimensions, Zydus continues to innovate with an unswerving focus to address the unmet healthcare needs. Simultaneously it rededicates itself to its mission of creating healthier, happier communities across the globe.

Visit Highlights:

1. **Introduction to Zydus Group:** The visit commenced with a comprehensive overview of the Zydus Group's history, mission, and global presence. The company's commitment to innovation, research excellence, and patient-centric approach was highlighted.
2. **Research Facilities Tour:** Students were taken on a guided tour of the state-of-the-art research facilities. They witnessed various departments, including molecular biology labs, chemistry labs, analytical testing labs, and formulation development labs. The tour showcased the sophisticated equipment and technology used in the drug discovery and development process.
3. **Interaction with Scientists:** Students had the opportunity to interact with scientists and researchers from various fields. This interaction provided them with valuable insights into the challenges and breakthroughs in pharmaceutical research. Students were encouraged to ask questions and engage in discussions about ongoing projects.
4. **Clinical Research and Trials:** A session was dedicated to explaining the

Subject: Heartfelt Appreciation for the Industry Visit

Respected Sir,

We hope this letter finds you in the best of health and high spirits. We are writing to express our deepest gratitude to you and the entire team at Laurel Life Sciences Ankleshwer, Gujarat, India, for granting us the wonderful opportunity to visit your esteemed facility on 31st July 2023.

The warmth and hospitality extended to us by your staff made us feel not only welcomed but also valued as guests. Every member of your team was eager to share their knowledge and expertise, answering our questions with patience and enthusiasm. Witnessing the day-to-day functioning of your industry has given us a unique perspective on the challenges and accomplishments faced by modern-day enterprises. The impact of the visit goes beyond the academic scope. It has allowed us, as students and future professionals, to gain a deeper understanding of the practical applications of theoretical concepts learned in the classroom. It has sparked our curiosity and motivated us to strive for excellence in our chosen fields.

On behalf of the entire group, we want to extend our heartfelt gratitude to you and your team for making this experience possible. Your industry's contribution to our education and professional development is immeasurable, and we will cherish the memories of this visit for years to come.

We hope to stay connected with Laurel Life Sciences, Ankleshwer, Gujarat, India and would welcome any future opportunities for collaboration or continued learning. Please convey our gratitude to every member of your team who contributed to making our visit a memorable and enriching one.

Subject: Request for Industrial Visit Permission

Respected Sir,

I hope this letter finds you in good health and high spirits. As per the subject cited above, we request permission for an industrial visit to your esteemed organization, Shree Harikrishna Pharmaceuticals, Ahmedabad (Gujarat). (Date: - 01/08/2023, 9:30 AM)

H R Patel Institute of Pharmaceutical Education and Research is a renowned educational institution dedicated to providing high-quality education and training to aspiring pharmacists. As part of our academic curriculum, we believe in providing our students with practical exposure and real-world experiences in the pharmaceutical industry. An industrial visit to a well-established and reputed company like Shree Harikrishna Pharmaceuticals, Ahmedabad would be of immense value to our students in understanding the intricacies and processes involved in pharmaceutical manufacturing.

So, we eagerly await your positive response.

Thanking you

They are having a mission to become a global pharmaceutical manufacturing company. They are dealing with the manufacturing of Active Pharmaceutical Ingredients, Various Intermediates, and marketing of various APIs all over the world.

Their directors are from healthcare profession who understand the importance of quality healthcare products. They have dedicated and highly qualified team for research and development of various molecules.

SHREE HARIKRISHNA PHARMACEUTICALS is a pharmaceutical manufacturing company, which is dedicated for its quality standards and efficacy of the products. They are committed to making the world a healthier place through the development, production, and marketing of excellent pharmaceutical products. They strive to achieve this objective by developing innovative products, which heal the patients globally and are superior in terms of quality, purity, packaging, and stability as per regulatory norms.

Industrial Visit Highlights:

During the industrial visit, students had the opportunity to gain valuable insights into the pharmaceutical manufacturing process, particularly related to APIs. The visit aimed to bridge the gap between theoretical knowledge gained in classrooms and real-world practical applications. The highlights of the visit include:

1. **Plant Tour:** The students were taken on a comprehensive plant tour, where they witnessed various stages of API manufacturing. They were able to observe the handling of raw materials, different unit operations, quality control procedures, and packaging processes.
2. **Quality Control and Assurance:** The visit emphasized the critical role of quality control and assurance in pharmaceutical manufacturing. Students learned about the meticulous testing and validation processes that ensure the safety, efficacy, and consistency of the APIs produced.
3. **Regulatory Compliance:** Shree Hari Krishna Pharmaceutical Industry adheres to strict regulatory guidelines to meet international standards. Students were informed about the various regulatory bodies and requirements that the company complies with to ensure the highest

	<p>quality products.</p> <p>4. Automation and Technology: The students were introduced to the advanced automation and technology employed in the manufacturing process. They gained insights into how modern equipment and technologies contribute to efficiency, precision, and reduced human error.</p> <p>5. Environmental Sustainability: The company's commitment to environmental sustainability was highlighted during the visit. Students learned about the company's efforts to minimize waste generation, reduce energy consumption, and maintain a green and eco-friendly approach to manufacturing.</p> <p>6. Interaction with Professionals: Students had the opportunity to interact with professionals working at Shree Hari Krishna Pharmaceutical Industry. They could ask questions, seek career advice, and gain an understanding of the various roles within the pharmaceutical manufacturing sector.</p> <p>Conclusion: The industrial visit to Shree Hari Krishna Pharmaceutical Industry provided students with a practical understanding of API manufacturing processes, quality control practices, regulatory compliance, and technological advancements in the pharmaceutical sector. The experience was valuable in bridging the gap between classroom learning and real-world applications. The visit left the students inspired and informed, offering them insights into potential career paths and the significance of their academic pursuits in the pharmaceutical industry.</p>

Industrial Visit Report

Industries Visited: 1) Exemed Pharmaceuticals, Vapi dated 11/08/2023.

2) Vapi Care Pharma Private Limited, Vapi dated 12/08/2023

Organiser College: SES's H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, Dhule (Maharashtra) 425405

Mode of travel: Private Bus, Shirpur, Dist. Dhule

Class: Quality Assurance. M. Pharm, Total number of Students: 12 (Boys: 7 & Girls: 5)

Total numbers of Teachers: 03 (Dr. G. B. Patil, Ms. D. A. Chaudhari, Mr. D. M. Patil)

Introduction:

The goal of the M. Pharmacy students, Industry visit to Exemed Pharmaceuticals, & Vapi Care Pharma Private Limited, Vapi was to experience the organization and culture of a SES's H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, Dhule (Maharashtra) to offer a great source **"To gain practical knowledge"**. Students can observe and learn as to how theoretical concepts are put to in to action, thereby aiding their practical learning. Students are exposed to real working environment and shown how things are done in an organisation.

Industrial visit is a part of professional (M. Pharmacy) courses, during which Pharmacy students visit Pharmaceutical manufacturing companies and get insight of on the internal working environment of the company. Industry visits sensitize students to the practical challenges that organizations face in the business world. Industrial visits also give greater clarity about various management concepts for students as they can practically see how these concepts are put into action. Visits to manufacturing firms are useful for students to understand the process and realities of the shop floor (Production department), this in itself is a rare exposure. By visiting the shop floor, they get to understand the risky conditions in which workers work, the people management challenges involved in managing workers apart from getting hands-on technical knowledge. The industrial visit also provides an insight on how companies work and also useful information related to the practical aspects of the course which cannot be visualized in lectures.

Site Visit Outline:

1. We had visited Exemed Pharmaceuticals, Vapi from 10 am to 3 pm on 11/08/2023, Day-Friday and spent the day following the activities of a M pharm (QA) class 2022-23.
2. We had visited Exemed Pharmaceuticals, Vapi from 10 am to 12 pm on 12/08/2023, Day-Saturday and spent the day following the activities of a M pharm (QA) class 2022-23.

M.Pharm. Ph.D., D.I.M.F.J.C.

Points of Note:

During students visit, they learned how to make capsule dosage forms and its packaging to finished dosage forms and with their testing methods for getting a quality product. QA person, with whom students interact, expressed a genuine procedure for getting a quality product. Along with this, quality control testing with their specifications given by in-house testing procedures was also discussed with the students. After that students had been demonstrated for various activities under various department like

Benefits of Industrial's Visit:

1. The industrial visit provides an insight on how companies work and also useful information related to the practical aspects of the course which cannot be visualized in lectures. With an aim to go beyond academics, these visits are arranged to develop the insights of the students – attaining practical knowledge and their theoretical applications thereof.
2. In addition, the students also benefit in the following ways:
 - They get an opportunity to gain in-depth knowledge about the field of their interest, helping them make the correct career choice in future.
 - Interfacing with the industry gives them a chance to build networks and to improve their business communication skills.
 - The industry visit enables the students to apply their classroom learning to a real-life situation while being mentored by a variety of industry experts.

Summary:

- While not every industry offers them, industrial visits are welcomed by all of them. To enter any industry for the purpose of receiving education, there is a procedure for obtaining entrance or authorization. We frequently observe students who fervently desire practical knowledge but fall short of achieving it due to inadequate instruction. Students always desperately wait for a chance to get interacted with core industries. Exemed Pharmaceuticals, Vapi Care Pharma Private Limited, Vapi and H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, Dhule. (Maharashtra) provides students the opportunity to interact with industries, which is in fact a very good exposure to students in their career as a Pharmacist in Pharmaceutical industry.

Conclusion:

- The visit's objectives were met, as students gained an understanding of the knowledge and skills needed to work as a pharmacist in the pharmaceutical industry as well as the various factors that must be satisfied in order for pharmaceutical dosage forms to serve their intended purpose of disease diagnosis, treatment, and prevention. Additionally, through this industrial tour, we attempted to bridge the gap between academics and industry.

पेटेंटी / Patentee

Vivekanand Kisan Chatap

प्रमाणित किया जाता है कि पेटेंटी को, उपरोक्त आवेदन में यथाप्रकरित *A method for preparation of Cellulose Based Magnetic Nanofiber Composite Capped*

With Graphene Quantum Dots and the composite obtained नामक आविष्कार के लिए, पेटेंट अधिनियम, 1970 के उपबंधों के अनुसार आज तारीख मार्च 2022 के दसवें दिन से बीस वर्ष की अवधि के लिए पेटेंट अनुदत्त किया गया है।

It is hereby certified that a patent has been granted to the patentee for an invention entitled *A method for preparation of Cellulose Based Magnetic Nanofiber Composite Capped*

With Graphene Quantum Dots and the composite obtained as disclosed in the above mentioned application for

the term of 20 years from the 10th day of March 2022 in accordance with the provisions of the Patents Act, 1970.

अनुदान की तारीख : 10/10/2023

Date of Grant :

पेटेंट नियंत्रक

Controller of Patents

टिप्पणी - इस पेटेंट के नवीकरण के लिए फीस, यदि इसे बनाए रखा जाना है, मार्च 2024 के दसवें दिन को और उसके पश्चात प्रत्येक वर्ष में उसी दिन देय होगी।

Note - The fees for renewal of this patent, if it is to be maintained, will fall / has fallen due on 10th day of March 2024 and on the same day in every year thereafter.

Notice - Avishkar 2023-24

Dear Faculty Members,

We are excited to announce the upcoming Avishkar Research Festival, an annual event organized by KBC NMU, Jalgaon in with affiliated institutions. Avishkar serves as a platform for our talented students to showcase their innovations, ideas, and skills to a global audience. This festival has played a crucial role in promoting research among our students and has brought countless unexplored areas of knowledge to light.

The objectives of Avishkar are as follows:

1. To identify the hidden innovative scientific talents and capacities of the students and provide them with opportunities to develop research aptitude.
2. To create competitiveness among the researchers, thereby enhancing the quality of their research.
3. To appreciate the researchers and provide financial aid in the form of fellowships to promote further research.

As per the directives from our respected Principal Sir, it is mandatory for all faculty members to contribute to this noble initiative by providing topics for student research projects. Each faculty member is required to suggest a minimum of three topics (but not limited to three), with an emphasis on their innovativeness and expression of socio-economic aspects. These topics should challenge and inspire our students to explore new horizons.

In addition to providing topics, faculty members are encouraged to explain the benefits of participating in Avishkar to our students. Participation in the festival will earn

students 10 credit points, enhancing their academic records. Moreover, faculty members may also claim their contribution in the API for additional marks.

Once topics are submitted, each faculty member will be responsible for guiding selected students or groups throughout the research process. This guidance includes:

1. Defining a clear problem statement.
2. Reviewing existing solutions and highlighting their limitations.
3. Proposing socio-economic benefits that can be derived from the research.

We believe that your active participation in Avishkar will not only enrich the learning experience of our students but also contribute to the overall growth and reputation of our institution.

एच. आर. पटेल फार्मसीचे जिल्हास्तरीय अविष्कार स्पर्धेत यश

२५ विद्यार्थी व शिक्षक गटांची विद्यापीठस्तर स्पर्धेसाठी निवड

शिरपुर येथील एच. आर. पटेल फार्मसी महाविद्यालयाच्या एकूण २५ विद्यार्थी व शिक्षक गटांनी अविष्कार संशोधन स्पर्धेत यश संपादन करित विद्यापीठस्तरीय फेरीसाठी आपले स्थान निश्चित केले आहे. अविष्कार संशोधन स्पर्धा ही दरवर्षी जिल्हा, विद्यापीठ व राज्य अश्या तीन पातळींवर घेण्यात येते. आविष्कारातून शाश्वत विकासाकडे हे या स्पर्धेचे ब्रीदवाक्य असून नाविन्यपूर्ण व समाजउपयोगी संशोधनाला या स्पर्धेमधून चालना दिली जाते. गुणवत्तेच्या आधारावर स्पर्धकांची निवड केली जाते. यंदाची अविष्कार-२०२३ स्पर्धा दिनांक १८ ऑक्टोबर २०२३ रोजी एच. आर. पटेल इन्स्टिट्यूट ऑफ फार्मास्युटिकल एज्युकेशन अँड रिसर्च, शिरपूर येथे घेण्यात आली त्यात महाविद्यालयाच्या १९७ विद्यार्थ्यांनी उत्स्फूर्त सहभाग नोंदवत १०९ पोस्टर सादर केले त्यात ह्युमॅनिटीज, लॅंग्वेजेस अँड फाइन आर्ट्स (या मध्ये ४), औषध आणि फार्मसी (या मध्ये ४६), वाणिज्य, व्यवस्थापन आणि कायदा (या मध्ये ६), कृषी आणि पशुसंवर्धन (या मध्ये ८), तर अभियांत्रिकी आणि तंत्रज्ञान (या मध्ये २) आणि शुद्ध विज्ञान (या मध्ये १४) पोस्टर्स सादर केले. सदर स्पर्धेचा निकाल नुकताच जाहीर झाला त्यात विद्यापीठ स्तरावरील आविष्कारसाठी २५ पोस्टर्सची निवड करण्यात आली असल्याची माहिती महाविद्यालयाचे प्राचार्य डॉ. एस. बी. बारी यांनी यावेळी दिली.

त्यामध्ये ह्युमॅनिटीज, लॅंग्वेजेस अँड फाइन आर्ट्स मध्ये अर्निका ठोंबरे, मयूरी धनगर यांची तर कॉमर्स आणि लॉ विषयात योगेश जाधव, राकेश मुथा, तेजस्वी बारी, शिखा सिंग, वैष्णवी पाटील, प्रांजली सुर्यवंशी यांची, प्युअर सायन्स श्रेणीत मृणाल पाटील, वैष्णवी बारी, निलिमा चव्हाण, श्रेया पाचरौत, वर्षा पाटील, वैभव पाटील, चेतन चौधरी, विवेक चव्हाण, साक्षी भारती यांची कृषी आणि पशुसंवर्धन विषयात रुही शहा, संकेत निकुंभ, दीपवर्धन चौधरी, तेजस

Shirpur Dist. Dhule (M.S.) 425 405

पाटील, सौरभ बोरासे, तेजस सोनवणे, सुदर्शन वानखडे, काजल चौधरी यांची आणि अभियांत्रिकी व तंत्रज्ञान श्रेणीत तेजस सोनी, तुषार धनगर, हर्षदा पाटील, हिमांशू सोनी, उत्कर्ष भामरे यांची विद्यापीठ स्तरासाठी निवड झाली आहे. तसेच मेडिसिन आणि फार्मसी या श्रेणीमध्ये तेजस्विनी शिंदे, यशश्री पाटील, कृतिका अटवाल, संयुक्ता पवार, जान्हवी बडगुजर, पियुष बाफना, हर्षाली पाटील, मयुरी राजपूत, श्रेया पाटील, प्रद्युम्न केचे, कुरेशी फैजान खान सोपान नांगरे, महेंद्र महाजन आदींची विद्यापीठ स्तरीय अविष्कार स्पर्धेसाठी निवड झाली आहे. या यशस्वी विद्यार्थ्यांचा सत्कार संस्थेचे उपाध्यक्ष राजगोपाल भंडारी यांच्या हस्ते करण्यात आला.

“अविष्कार” ही संशोधन स्पर्धा जिल्हा, विद्यापीठ, राज्य व राष्ट्रीय स्तर अशा विविध पातळींवर दरवर्षी घेण्यात येत असते त्यात अशीच यशाची परंपरा कायम ठेवत महाविद्यालयाचे शिक्षक व विद्यार्थी आपल्या नाविन्यपूर्ण संकल्पना व संशोधनाच्या आधारे सलग सात वर्षांपासून विविध पातळींवरील पारितोषिकांवर शिक्कामोर्तब करीत सदर स्पर्धेत महाविद्यालयांने विविध विषयातील सर्वाधिक पारितोषिके पटकावून विद्यापीठात नावलौकिक मिळवलाय. मागील वर्षी महाविद्यालयातील २० विद्यार्थी व शिक्षक गटांची विद्यापीठस्तर स्पर्धेसाठी आणि त्यातून ७ गटांची राज्यस्तरीय स्पर्धेसाठी निवड झाली होती.

महाविद्यालयाने राज्यस्तरीय अविष्कार स्पर्धेत प्रथम आणि अन्वेषण स्पर्धेत द्वितीय पारितोषिक पटकावले होते असे पारितोषिक मिळवणारे एच. आर. पटेल फार्मसी महाविद्यालय विद्यापीठाच्या कार्यक्षेत्रातील एकमेव महाविद्यालय आहे. सदर यशाबद्दल संस्थाध्यक्ष आमदार अमरिशभाई पटेल, नगराध्यक्षा जयश्रीबेन पटेल, कार्याध्यक्ष तथा उपनगराध्यक्ष भूपेशभाई पटेल, उपाध्यक्ष राजगोपाल भंडारी, उद्योगपती चिंतनभाई पटेल, माजी कुलगुरु डॉ. के. बी. पाटील, सर्व संचालक व प्राचार्य डॉ. एस. बी. बारी यांनी कौतुक केले.

Subject-Letter of Appreciation for the guest lecture

Dear Sir,

On behalf of Management staff and students of our Institute I wish to thank you for Delivering Lecture on “**Structural elucidation of drug by UV, NMR, and IR**” On 27 September 2023.

We highly appreciate and acknowledge your authority on the subject. Your Experience and knowledge will definitely help our Students to achieve success.

We once again thank you for Sparing your valuable Time and gracing the occasion.

Thank you,

Principal
Ahinsa Institute of Pharmacy

Subject: - Invitation for expert talk.....

Respected Sir,

The institute was established in 2006 to add wings to aspiring candidates to excel in the global healthcare system. To update the current advances in pharmaceutical sciences & soft skills, the institute is regularly organising guest lectures of recognised personalities from academics & industry.

In the context, we are pleased to invite you as a resource person to deliver an expert talk on **"Intellectual property Right in Pharmacy field"**. It will be a highly enlightening & learning experience for all of us.

Kindly accept this invitation & acknowledge the same on 9th Dec. 2023 on the topic of **"Intellectual property Right in Pharmacy field"**.

Thanking You.

Subject: - Letter of Appreciation for the Seminar.

Respected Sir,

On behalf of our college, we wish to thank you for the lecture on the topic, "**Intellectual property Right in Pharmacy field**" on **09th December 2023**. We believe that the knowledge you have shared will help immensely in the development of the attendees.

We appreciate the time you took out of busy schedule to join us and thank you for sharing your insight, expertise and experience. Your willingness to volunteer your time, energy and support is greatly appreciated.

Thank you again for your time and effort.

Yours Sincerely,

Principal,

GCP Nagaon, Dhule.

Respected Sir/ Maam

On behalf of the Drug Information Centre, I would like to extend our heartfelt gratitude for your invaluable contribution to our refresher course.

Your lecture topic significantly enriched the program, providing valuable expertise and insights. Participants were highly engaged and benefited from your in-depth and practical knowledge. Your skill in communicating complex concepts clearly enhanced the overall learning experience for attendees.

Once again, thank you for your valuable contribution. We look forward to your support in the future for more educational endeavors.

If you have any feedback or suggestions for the advancement of the refresher course ,please feel free to share your insights.

Thank you once again.

Best regards,

Dr. Vinaya Kulkarni,

Dear Rakesh E. Mutha,

Thank you for reviewing manuscript PHM-2023-0565 entitled Antihistaminic, anti-arthritic and antiobesity activity of yellow horn poppy natural products. for Pharmacognosy Magazine.

In recognition of your continued support, Pharmacognosy Magazine and our publisher SAGE are pleased to offer you 60 days complimentary online access to all journals published by SAGE. Register at www.uk.sagepub.com/reviewersaccess to activate access to content for all SAGE titles.

To also benefit from a 25% discount on all SAGE books ordered online, go to the SAGE website (<http://www.sagepub.com>) and add the SAGE books that you would like to purchase to your shopping cart. When checking out, enter the Promotion Code GL10JR0001 when prompted. This will automatically deduct 25% from your final bill.

We thank you for your participation in the online review process and hope that we may call upon you again to review future manuscripts.

Sincerely,

Mohammed Yunus
