<b>Brief Report on activity</b>	An Ayurveda Camp is a health and wellness event that focuses on the ancient Indian system of medicine known as Ayurveda. Typically organized in community settings or wellness retreats, these camps aim to promote holistic well-being by offering traditional Ayurvedic therapies, consultations, and educational sessions. Participants have the opportunity to engage with experienced Ayurvedic practitioners who assess their individual constitutions (doshas) and provide personalized recommendations for diet, lifestyle, and herbal remedies. Ayurveda, rooted in a holistic approach to health, emphasizes the balance of mind, body, and spirit. The camp often includes activities such as yoga, meditation, and workshops on Ayurvedic principles, fostering a comprehensive understanding of this natural healing system. Attendees gain insights into preventive healthcare, herbal treatments, and lifestyle practices that align with Ayurvedic principles, fostering a deeper connection with their overall well-being. Ayurveda Camps serve as immersive experiences that empower individuals to take an active role in enhancing their health and vitality through the timeless wisdom of Ayurveda.

the Department of Pharmaceutical Chemistry with Pharmacy club at HRPIPER on September 25, 2023, was extremely positive. The event successfully achieved its core objectives. Firstly, Awareness and Education: The rally had raised awareness about the role and importance of pharmacists in healthcare. It had also educated the public and other healthcare professionals about the services pharmacists provide.

Secondly, the Community Engagement: Such an event had brought the local community together, fostering a sense of unity and shared purpose. Lastly, the Advocacy: It had provided a platform for pharmacists to advocate for important healthcare issues, such as expanded scope of practice or access to certain medications.

<b>Brief Report on activity</b>	National call for citizen-led 1 hour labor donation for cleanliness on October 1, 2023 at 10 am. Nine years ago, Prime Minister Shri Narendra Modi called for cleanliness in 2014. Citizens from all walks of life responded with great enthusiasm to take ownership for a clean India. On the occasion of Gandhi Jayanti, the Prime Minister has made a unique appeal to the countrymen to take action. On the eve of Babu's birth anniversary, all the students and teaching and non-teaching staff together gave 'Swachhanjali' to him. As per the theme Swachhta Hi Seva Abhiyaan, "On 1st October i.e. Sunday at 10 am a big program was organized on cleanliness. At that time, the students and teachers and non-teaching staff helped in this cleanliness drive from time to time, in which they cleaned the college premises.

**Brief Report on  
Activity**

The World AIDS Day Celebration with rally and street play was organized by the Internal Quality Assurance Cell (IQAC Cell) in collaboration with the Department of Pharmaceutical Chemistry, Department of Pharmaceutics and Pharmacy Club Shirpur at H. R. Patel Institute of Pharmaceutical Education and Research (HRPIPER). World AIDS Day is celebrated annually on 1<sup>st</sup> of December and its objective is dedicated to raising awareness about the HIV/AIDS pandemic, commemorating those who have lost their lives to the illness, and supporting those living with HIV. The celebration began with a lively rally, which commenced from the college campus to karwand naka circle area and street play in between to know the insights of AIDS with demo patient and doctor interaction along with the community then return to college. The event saw a large turnout, including pharmacists, pharmacy students, healthcare professionals, and interested community members.

The World AIDS Day celebration with a rally and street play was a resounding success, raising awareness about the HIV/AIDS its transmission, safety health hazards, its detection and mode of treatment. The event received positive feedback from both participants and the public, underscoring the importance of recognizing and appreciating the efforts of pharmacists for raising awareness of AIDS. This celebration served as a reminder that AIDS can be prevented by safety measures and AIDS patient should be treated as normal rather than its discrimination and disgrace to him/her. It encouraged individuals to seek out more information and safety measures regarding AIDS.

Objectives	Data confidentiality is a critical component of cyber security. It relates to safeguarding sensitive information from illegal access, disclosure, or change. This goal is to make sure that only authorized individuals or institutions can access and see secret data.
Summary	International Women's Day was celebrated at H.R. Patel College of Pharmaceutical Education & Research, Shirpur on March 7, 2024. A webinar organized by the APTI Women's Forum Western Zone on Cyber Hygiene for Women Webinar talk by Dr. Srivaramangai Ramanujan. This session aimed to raise awareness among girls about the prevalence of cyber-crimes against women. Specifically tailored to the needs and challenges faced by women in the digital realm. These crimes encompass various forms such as blackmail, threats, cyber pornography, and the dissemination of obscene sexual content. Additionally, they include stalking, bullying, defamation, morphing, and the creation of fake profiles.
Expected Outcomes:	Through this webinar, efforts were made to educate and empower women to recognize and protect themselves against such cyber threats. Cyber security encompasses practical strategies and actions aimed at safeguarding individuals, corporations, and societies from various threats and adversaries in the digital realm.
