Activity report
H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur

Name of Activity	Guest Lecture for Competitive Examination
Organizer	H. R. Patel Institute of Pharmaceutical Education and Research Shirpur.
Venue	HRPIPER, Shirpur
Name of Speaker with contact	Dr. Rajendra P. Marathe, Professor, Government college of Pharmacy, Aurangabad Email: rajendra_marathe@yahoo.com Mobile: 09890069243, 8888861643, 0240-2361843
Date of activity	2 nd January 2024
Objectives	<ul style="list-style-type: none">• Enlightening path for UG students for preparation of P. Analysis for Competitive Examination.• Understand the principles and functioning of Spectroscopy• Gain in-depth knowledge of UV, IR, NMR and Mass spectroscopy
In charge	Dr. Z. G. Khan/ Mr. S. S. Agey
Number of Participant	51
Brief Report on Activity	<p>A guest lecture was organized for undergraduate students on 2nd January 2024, on topic of “Advanced spectroscopic techniques for molecular characterization” as a part of preparation for Competitive Examinations. The distinguished speaker for this event was Prof. Dr. Rajendra P. Marathe, a renowned expert in the field of pharmaceutical Analysis.</p> <p>The purpose of the lecture was to provide detail understanding of various spectroscopic techniques and identification and characterization of molecular structure of the compounds with the help of their conjugation, functional groups, or molecular weight using UV, IR, NMR and Mass spectroscopy. As spectroscopy is the one of major part of any competitive exams, this guest lecture proved to be a valuable learning experience for undergraduate students aiming to excel in competitive examinations. The lecture successfully achieved its objectives of enlightening the path for students, imparting knowledge on pharmaceutical dosage forms, and providing in-depth insights into pharmaceutical additives and regulatory guidelines. It was an informative and inspiring event that will undoubtedly contribute to the academic and professional growth of the attending students.</p>

The guest lecture on Pharmaceutical Analysis for Competitive Examinations presented by Prof. Dr. Rajendra Marathe on January 2, 2024 provided numerous benefits to both the attending students and the educational institution.

Outcomes

- Enhanced understanding of various spectroscopic techniques in P. Analysis. The lecture significantly improved students' comprehension of the subject of P. Analysis. They gained a deeper insight into UV, IR, NMR and Mass spectroscopy and structural characterization.
- Career Guidance: Dr. Rajendra Marathe guidance and insights provided students with a clear path for their future careers in the pharmaceutical industry and research. Many students found the lecture to be a source of inspiration and motivation.
- Increased Confidence: Students left the lecture with increased confidence in their ability to prepare for competitive examinations in the field of Pharmaceutical Analysis. Prof. Dr. Rajendra Marathe's expertise and advice reassured them about their academic and professional journeys.

Invitation as Resource Person for guest lecture on topic "Advanced spectroscopic techniques for molecular characterization"

Respected Sir/ madam

We take this opportunity to introduce ourselves "H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur Dist. Dhule, Maharashtra, India 425 405, one of the premier institutes in Maharashtra, involved in pharmacy education since 2004. Presently, institute is offering various pharmacy programs and is recognized PhD center.

We are regularly in touch with recognized personalities from academics and industry to update knowledge of our students for current advances. In this context, we are pleased to invite you to deliver guest Lecture through online mode for our B. Pharm students regarding "Advanced spectroscopic techniques for molecular characterization" on 2nd January 2024.

Herewith I humbly request you to kindly accept our invitation and extend your guidance to make this convention enlighten to the participants.

Please kindly convey your consent in this regard and oblige.

Thanking you in anticipation.

Brief Report on the Outcome of activity	A person who has greatly contributed to interpersonal communication motivation theories is Abraham Maslow. His hierarchy of needs explicitly explains why people are motivated to do certain things. It went as far, as to create strict needs that people are driven by in a lifetime. The theory of reasons for communication by Maslow states that people are genetically predisposed to act in a specific and concrete way that is centered on satisfying physiological and psychological needs. One of the most important contributions of Abraham Maslow is the hierarchy of needs.
