Activity report
Submitted to
The Principal,

H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur

Name of Activity	"Transition from Graduate Student to Post-Graduate Scholars".
Organizer	IQAC of H R Patel Institute of Pharmaceutical Education and Research
Venue	M.Pharm Classroom and Laboratories
Name of Speaker	Detailed Schedule along with list of speakers is enclosed
Date of activity	11 th January to 18 th January 2023.
Objectives	The primary objective of the workshop was to bridge the gap between the Bachelor of Pharmacy (B.Pharm) and Master of Pharmacy (M.Pharm) programs. The workshop consisted of theory sessions as well as hands-on training activities, offering a comprehensive learning experience to the participants.
In charge	Dr. Laxmikant Ramvallabh Zawar
Number of Participant	44
Brief Report on activity	The workshop encompassed a wide range of topics and practical sessions, enabling the participants to gain a deeper understanding of the M.Pharm curriculum and its practical applications. They had the opportunity to visit HRPIPER Laboratories, observing pharmaceutical processes and industry practices. The workshop included sessions on laboratory glassware, focusing on usage, handling, and maintenance, followed by hands-on practical exercises. UV spectroscopy was introduced, emphasizing its applications in pharmaceutical analysis, along with constructing calibration curves and performing assays. High-Performance Liquid Chromatography (HPLC) was introduced as a vital analytical technique, demonstrated through practical sessions. The role of natural products in drug discovery and their extraction techniques were discussed and practiced. Formulation development of oral solid dosage forms, evaluation techniques, and equipment qualification were covered. Principles and applications of recrystallization, distillation, dissolution testing, and qualification of tablet compression machines were explained and demonstrated. The workshop concluded with an introduction to green synthesis techniques and chromatography principles and applications.

Outcome	"Transitional Training: From B. Pharm to M. Pharm" successfully bridged the gap between B.Pharm and M.Pharm programs by providing theoretical knowledge and practical training sessions. Participants gained valuable insights, practical skills, and a deeper understanding of the transition from undergraduate to postgraduate studies. The workshop equipped them with the necessary tools to excel in their M.Pharm program and make meaningful contributions to the pharmaceutical industry. The workshop's success reflects [Your University/Institution Name]'s commitment to providing comprehensive and holistic education to its students.
