Subject: Submission of "Feedback Report" on prescribed university curriculum for affiliated college.

Respected Sir,

Being an affiliated institute, we strictly adhere to PCI curriculum and Strive to deliver the curriculum to the student effectively. Every year our institute collects Feedback on Curriculum from various stakeholders such as students, teachers, employers and alumni through online as well as manual feedback system devised by the IQAC. Through simple survey method these stakeholders are asked various questions related to course contents, course outcomes and development of skills sets for employability along with value education. At the end of every academic year, report on feedback is submitted to the representatives on various boards of the affiliating university. As a practice after every five years the institute intends collective feedback reports to respective authorities.

Therefore, I humbly request you to accept the detailed report along with analysis on curriculum feedback for your kind perusal. I hope this report may prove helpful for the betterment of the curriculum.
