Activity report
Submitted to
The Principal,

H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur

Name of Activity	“Significance of pharmacy career insights”
Organizer	HRPIPER
Venue	Online
Date of activity	09 th July 2021
Objectives	Drug specialists are in a close network with the patients as well as healthcare professionals.
In charge	Mr. D. M. Patil
Number of Participant	138
Brief Report on activity	Pursuing a career in Pharmacy, a pharmacist can work in these types of industries where they are usually not in direct contact with the general public. They work in the processing, manufacturing, trials, storage, delivery, establish regulations of safety and control quality of drugs and medicines. A pharmacist can even work in the research and development department of the industry and work towards sales and marketing of the pharmaceutical products.
Photograph Of activity	
Outcome	A career in Pharmacy can make a professional work for Hospital Pharmacies. Almost all the hospitals in the country, government and private, have established own hospital pharmacies within the hospital premises, wherein the doctors and nurses can directly interact on the matters related to healthcare like medicines, surgery and other patient-care products.

The Principal,

H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur

Name of Activity	Career opportunities in pharmacy profession
Organizer	HRPIPER
Venue	HRPIPER, Shirpur
Date of activity	13 Jan 2022
Objectives	Provide adequate opportunities to pharma graduates.
In charge	Mr. D. M. Patil & Mr. R. S. Tade
Number of Participant	75
Brief Report on activity	Pharmacy as a career option has gained much importance over the last few years, especially during the covid-19 pandemic. Pharmaceuticals science is a broad and dynamic field that deals with the discovery, development and manufacture of drugs and related products. With the exponential growth of the Pharmaceutical Industry in India, the requirement for pharmaceutical graduates has increased manifolds
Photograph Of activity	
Outcome	Various key concepts were simplified by him viz. Background academic planning, teaching mission, teaching split up (classroom teaching, active learning and self-learning), perception of teacher.
