

H. R. PATEL INSTITUTE OF PHARMACEUTICAL EDUCATION AND RESEARCH, SHIRPUR DIST. DHULE - 425405

NAAC accredited A Grade (CGPA 3.06) and NBA reaccredited B. Pharm course (2022-25)

Approved by: AICTE, PCI, Govt. of Maharashtra, DTE, KBC NMU Jalgaon

An ISO 9001:2008 Certified, NIRF Ranked Institute (2016-24th, 2020 Rank Band 76-100)

Our Motto: "Serving Nation's Health"

ebulletin

2024 - 25

Vision

We aspire to do advancement of knowledge through excellence and innovation in education, research, and outreach activities.

Mission

To conduct high quality educational and research activities that benefit students, researchers, and communities across the nation. We will also abide to extend, apply, and exchange knowledge between the institutions, industry and society.

From Chairman's Desk

The Shirpur Education Society has over the years, knitted together a large network of educational institutions throughout the length and breadth of Shirpur. From pre-primary schools, primary schools, ashram schools, secondary and higher secondary schools to professional collage and institutes that offers courses like Pharmacy, D.Ed., B.Ed., Management, Engineering entire education has a single-minded goal and mission to provide hope, direction and the promise of a bright future for aspiring youth from all over country.

To meet the increasing demand for pharmacy professionals in the country and to serve all sectors of society, the H. R. Patel Institute of Pharmaceutical Education and Research was established in 2004, originally known as H. R. Patel Women's College of Pharmacy. In a short period, this institution has gained a strong reputation in the pharmaceutical field and now holds a leading position in North Maharashtra. This success is attributed to the dedicated faculty, quality students, a wide range of advanced instruments, a well-stocked library, and a supportive educational environment.

I am delighted to learn that the institute is launching its Institutional E – Bulletin 2024 - 25. Best wishes to the HRPIPER team in all their future endeavors.

Hon. Shri. Amrishbhai R. Patel

President

Shirpur Education Society, Shirpur

From Principal's Desk

I am delighted to present the E-Bulletin for the academic year 2024-25, showcasing the vibrant and dynamic environment of our college. This bulletin encapsulates the wealth of activities, both academic and extracurricular, that have taken place over the past year, reflecting our commitment to holistic education. Our academic curriculum continues to be at the forefront of innovation and excellence. Beyond the classroom, HRPIPER has been a hub of various non-curricular events that contribute to the all-round development of our students. From guest lectures, seminars, workshops, and conferences to cultural festivals, sports meets, and community service initiatives, our campus has been buzzing with activities that nurture creativity, leadership, and social responsibility. These events provide our students with invaluable experiences, helping them to grow into well-rounded individuals ready to face the challenges of the future.

As you go through this E-Bulletin, I hope you will be inspired by the achievements and activities of our community. Each page is a testament to the hard work, dedication, and spirit of our students and faculty.

Thank you for being a part of the HRPIPER family. Together, let us continue to strive for excellence and make this academic year even more remarkable.

Prof. Dr. S. B. Bari

Principal

H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur

Editorial Message

We are extremely happy to hand over this issue of E Bulletin 2024 – 25 which has been serving as a platform to highlight the glance, achievements, events and many more of HRPIPER Family.

We would like to place on record my gratitude and heartfelt thanks to our beloved Principal, Dr. S. B. Bari for his constant afflatus and thriving auspice for bringing out this institutional E Bulletin. We are also grateful to all teaching staff, non-teaching staff and students for extending their cooperation and contribution to make this effort a success.

We wish happy voyage to the readers of this bulletin and it will be satisfy the readers and even be electrifying to them.

Thanking You.

Dr. P. B. Patil

Mr. P. S. Baviskar

Mr. S. K. Amale

Ms. S. V. Patil

Editor's in Chief

Name of Activity	<p style="text-align: center;">Guest Lecture by Dr. Ravindra Kulkarni on “Quantitative Structural Activity Relationship – an Overview” 07 August 2024</p>
Photos of the Event	
Summary of the Event	<p>Dr. Ravindra Sir’s guest lecture was highly effective and well-received. He covered key aspects of Quantitative Structural Activity Relationship (QSAR), including its fundamental principles, mathematical models, and real-world applications in drug design. His discussion on the challenges and future directions in QSAR provided valuable insights. The interactive nature of the session, with opportunities for questions and clarifications, enhanced the learning experience. Attendees appreciated Dr. Ravindra’s clear and engaging communication, which successfully conveyed complex concepts and highlighted the relevance of QSAR in advancing drug discovery. The positive feedback underscores the impact of his expert insights and the importance of such informative sessions.</p>

Name of Activity	<p style="text-align: center;">International Youth Day Celebration 12 August 2024</p>
Photos of the Event	

	
<p>Summary of the Event</p>	<p>The International Youth Day Celebration was organized by the Internal Quality Assurance Cell (IQAC Cell) in collaboration with the Department of Pharmaceutical Chemistry at H. R. Patel Institute of Pharmaceutical Education and Research (HRPIPER). The event aimed to commemorate International Youth Day and raise awareness about HIV/AIDS through various activities.</p> <p>Social Awareness Rally (for HIV/AIDS): The day commenced with a spirited Social Awareness Rally. Participants marched through the HRPIPER campus and nearby Karwand Naka, carrying banners, placards, and informational pamphlets related to HIV/AIDS. The rally served as a visual representation of unity and commitment to addressing the issue.</p> <p>Street Play: Following the rally, a captivating street play was performed by talented students. The play effectively conveyed essential information about HIV/AIDS, including prevention methods, safe practices, and the importance of regular testing. It also tackled the stigma surrounding HIV/AIDS, promoting empathy and understanding.</p>

<p>Photos of the Event</p>	

	
<p>Summary of the Event</p>	<p>At H.R. Patel Institute of Pharmaceutical Education and Research, Shirpur, this year's Ganesh Festival was celebrated with great enthusiasm. A clay Ganesh idol was installed to promote environmental sustainability. The idol was brought in with a traditional procession featuring a bullock cart, drums, and cymbals. On the third day, Principal Dr. S.B. Bari announced the immersion of the idol in the college's eco-friendly immersion tank. Students showcased traditional dances as part of the celebration. A variety of cultural events allowed students to display their talents in areas like quizzes, sports, comedy, and the arts. Spiritual and health talks were delivered by Prof. Sushil Maharaj and Dr. Geeta Jain. The event, guided by Principal Dr. Bari and the cultural committee, received praise from institutional leaders for its success and eco-conscious approach.</p>

Photos of the Event

Summary of the Event

This seminar was conducted at HRPIPER by Dr. Dipa Ashok Jain, BAMS, MD (Dravyaguna), CRAV. The session focused on Ayurvedic principles for achieving holistic health through diet and exercise. Dr. Jain emphasized the importance of *Ahar Vidhi Vidhan*—guidelines on when, what, and how to eat—including concepts like eating warm, unctuous, and appropriately portioned food. She also discussed the importance of avoiding incompatible

	<p>foods and maintaining gut-brain harmony. On exercise, she stressed that physical activity should be tailored to individual capacity, performed at the right time (preferably during Kapha kala), and should invigorate rather than exhaust. The seminar provided students with valuable insights into integrating ancient Ayurvedic wisdom into modern lifestyles for sustainable well-being.</p>

<p>Name of Activity</p>	<p>Guest Lecture on <i>“Harmonize your Health with Ayurvedic Diet & Exercise Secrets”</i> 09 September 2024</p>
<p>Photos of the Event</p>	
<p>Summary of the Event</p>	<p>The discussion on integrating Ayurvedic diet and exercise into health practices provided students with valuable insights into traditional wellness approaches. It explored how Ayurveda, an ancient system of medicine, focuses on balancing the body’s</p>

	<p>energies through personalized dietary and exercise routines. Key principles, such as understanding doshas (body types) and their influence on individual health needs, were highlighted. The conversation emphasized the benefits of practices like mindful eating and tailored fitness regimens for overall well-being. Students were encouraged to consider how these Ayurvedic methods could complement conventional medical treatments and enhance patient care. The importance of continuing education in holistic health approaches was stressed as a means to develop a comprehensive understanding of wellness strategies for both personal and professional growth.</p>
<p>Name of Coordinator</p>	<p>Mr. D. M. Patil, Mr. N. B. Patil, Ms. S. V. Patil.</p>
<p>Name of Activity</p>	<p>Guest Lecture on “<i>Science, Spirituality & Today's Youth.</i>” 09 September 2024</p>
<p>Photos of the Event</p>	

Summary of the Event

The discussion on "Science, Spirituality & Today's Youth" provided students with an insightful look at the intersection of these fields. It began by examining the distinct approaches of science and spirituality: science relies on empirical evidence and research, while spirituality focuses on personal experiences and inner growth. The conversations highlighted how today's youth are increasingly bridging these realms, integrating scientific knowledge with spiritual practices. For instance, mindfulness and meditation, often associated with spirituality, have been supported by scientific studies for their mental health benefits. The discussion emphasized that science and spirituality can complement each other, offering a more holistic perspective on health and well-being. Students were encouraged to consider how blending these viewpoints could enhance their understanding of patient care. The importance of staying open-minded and reflective about both domains was underscored, suggesting that a balanced approach could lead to more comprehensive health solutions. This integration of science and spirituality aims to prepare students for a more nuanced and empathetic approach to

	healthcare.

Name of Activity	Guest Lecture on “<i>Research Opportunities in India & Abroad</i>” & “<i>Virus in the Brain: investigation of pathogenesis leading to therapeutic approach</i>” 21 September 2024
Photos of the Event	
Summary of the Event	<p>Dr. Rahul Suryawanshi delivered an insightful talk; he emphasized the importance of research in shaping scientific careers and highlighted various funding opportunities available through Indian agencies like DST, DBT, CSIR, and UGC. For international exposure, he discussed renowned programs such as Fulbright, DAAD, and Marie Curie Fellowships that support global academic collaboration. In the second part of his session, Dr. Suryawanshi shed light on how neurotropic viruses invade the brain, breach the blood-brain barrier, and contribute to neurological disorders. He explained the molecular mechanisms of viral pathogenesis and host immune responses using advanced</p>

	<p>techniques. Furthermore, he elaborated on emerging therapeutic approaches that aim to target these virus-host interactions in the central nervous system. The session concluded with an encouraging message for students and researchers to engage in interdisciplinary research and international cooperation to address complex health challenges.</p>

<p>Photos of the Event</p>	

**Summary of the
Event**

On Wednesday, 25th September 2024, H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, organized two engaging alumni interaction lectures in celebration of World Pharmacist Day. The sessions were designed to provide valuable insights to students on both career preparation and business management within the pharmaceutical field. The first lecture, delivered by Miss Manisha Patil, Tax Assistant at the GST Department, Jalgaon, began at 2:00 PM. She spoke on the topic “Preparation Strategy for Competitive Exams,” offering practical advice, effective study techniques, and motivational insights for students aspiring to clear various competitive exams. Miss Patil shared her personal experiences, emphasizing the importance of consistency and dedication in achieving success. At 2:30 PM, Mr. Tushar Jain, Proprietor of Wellness Forever, Shirpur Branch, delivered the second lecture on “Pharma Business Management.” He discussed the intricacies of managing a business in the pharmaceutical sector, from operational challenges to strategic planning, highlighting the role of pharmacists in entrepreneurship. His lecture provided students with valuable knowledge about the evolving landscape of the pharma industry and encouraged them to explore entrepreneurial opportunities. Both lectures were well-received by the attendees, offering an inspiring and informative experience for the students. The event was a great success, further strengthening the connection between the institute and its alumni, while motivating students to pursue excellence in their respective career paths. Concluding the session, Dr. R. E. Mutha extended heartfelt gratitude to Miss Manisha Patil and Mr. Tushar Jain for their invaluable contribution to the success of the alumni interaction lectures. Their practical insights and motivating words left a lasting

	<p>impression on the students, inspiring them to excel in their respective career paths. In addition, Principal Dr. Sanjaykumar B. Bari expressed his appreciation for the alumni's continued involvement with the institute and encouraged students to take full advantage of such opportunities to learn from the experiences of successful professionals.</p>

<p>Name of Activity</p>	<p>Reflection and Goal Setting Session 04 October 2024</p>
<p>Photos of the Event</p>	
<p>Summary of the Event</p>	<p>The reflection and goal-setting session was organized at HRPIPER, on the occasion of Navratri celebration (Day-2), aimed to inspire students to harness the festival's transformative energy. It began with an engaging introduction to SMART goals— Specific, Measurable, Achievable, Relevant, and Time-Bound—led by the faculty. This framework provided a powerful</p>

	<p>tool for students to clarify their ambitions and create actionable plans. Participants were encouraged to reflect on their past experiences, identifying personal strengths and areas for growth. By connecting their reflections to the spirit of Navratri, students were motivated to transform insights into meaningful goals. They set specific, achievable goals for the next five years and wrote them down to solidify their intentions. After individual work, participants shared their SMART goals in small groups, fostering community and support. Goals varied widely, covering personal and professional development, spiritual growth, and health and wellness. This diversity highlighted each student's unique aspirations while reinforcing a collective journey of growth. Overall, the session enriched students' understanding of goal-setting and empowered them to take proactive steps toward a fulfilling life.</p>

Photos of the Event

Summary of the Event

An informative session was organized to promote awareness about the importance of oral health and its connection to overall well-being. The program included expert talks by dental professionals, covering proper brushing techniques, flossing, and the role of a balanced diet in maintaining oral hygiene. Demonstrations highlighted effective cleaning practices and the correct use of dental care products. The importance of regular dental check-ups for preventing issues like cavities and gum diseases was emphasized. Participants actively engaged in interactive discussions, gaining clarity on the impact of daily habits on oral health. The session concluded with the distribution of oral care kits and practical tips for maintaining a healthy smile, leaving attendees motivated to adopt better oral hygiene.

<p>Photos of the Event</p>	
<p>Summary of the</p>	<p>Dr. Sanjivkumar Patil delivered an inspiring session on the theme</p>

<p>Event</p>	<p>“Unlock Your Potential,” motivating students to recognize and harness their inner strengths. He emphasized the importance of self-discipline, goal-setting, and consistent effort in achieving success. Through real-life examples and practical tips, he encouraged students to overcome self-doubt and develop a positive mindset. Dr. Patil highlighted how time management, focus, and perseverance are key to unlocking one’s true abilities. He also stressed the role of emotional intelligence and self-awareness in personal and professional growth. The session urged students to step out of their comfort zones and embrace challenges. His talk left the audience energized and determined to strive for excellence in all areas of life.</p>

<p>Name of Activity</p>	<p>Alumni interaction lecture by Mr. Abhishek G. Shinkar on “Global trends and career opportunities in pharmaceutical science and management” 17 October 2024</p>

<p>Photos of the Event</p>	
<p>Summary of the Event</p>	<p>On 17th October 2024, Mr. Abhishek G. Shinkar, alumni of HRPIPER Shirpur with an MSc in Pharmaceutical Science with Management Studies from the UK, conducted an interactive guest lecture titled “Global Trends and Career Opportunities in Pharmaceutical Science and Management.” Students from both the B. Pharm and M. Pharm programs participated, gaining valuable insights into global trends in the pharmaceutical industry and diverse career pathways that combine scientific knowledge with strategic management skills. Mr. Shinkar emphasized the importance of interdisciplinary expertise, particularly in roles like regulatory affairs, clinical research, and quality management, and highlighted how the UK educational model prepares professionals for such fields. The session concluded with a lively Q&A, where students received practical career advice, inspiring them to pursue global opportunities with a proactive and strategic approach.</p>

<p>Photos of the Event</p>	

Summary of the Event

On 2nd December 2024, the IQAC and the Department of Pharmaceutical Chemistry of H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, organized a social awareness rally and a hospital visit to mark World AIDS Day. The rally aimed to educate the community about HIV/AIDS prevention and treatment, promoting awareness and reducing stigma through slogans and informational materials. Following this, students and faculty visited local Antiretroviral Therapy (ART) centers at sub-district hospitals to understand their role in providing essential HIV treatment and care for both urban and rural populations. The activity fostered community engagement, highlighted the importance of ART centers in the integrated healthcare system, and reinforced the institute's commitment to

	health education and societal well-being.

Summary of the Event

In the academic year 2024-25, a six-day Mission Brave Campaign workshop was conducted at H.R. Patel Institute of Pharmaceutical Education and Research, Shirpur, from January 27, 2025, to February 1, 2025. This workshop was organized under the Yuvati Sabha by the Student Development Department of Kavayitri Bahinabai Chaudhari North Maharashtra University. During this six-day workshop, the first three days were dedicated to karate training. The third and fourth days focused on yoga, while on the final day, a guest lecture was arranged. Dr. Jaya N. Jane delivered a lecture on “Awareness and Solutions Regarding Women's Health Issues.” The event concluded with a valedictory session. For the closing ceremony, Dr. V. L. Chavan, the Student Development Coordinator of Dhule district, was invited as the chief guest. He asked the students to demonstrate the training and yoga exercises they had learned over six days. On this occasion, the students expressed their experiences through action. They realized the impact of the training on their confidence and skills. Their courage and self-confidence had significantly improved. They demonstrated various techniques, including punches, chops, and Ubukan form in front of the dignitaries. Dr. V. L. Chavan appreciated the efforts put into the six-day workshop and praised the students' performances. The Principal of the institute, Dr. S.

	<p>B. Bari, also expressed his thoughts, stating that the objectives of the Swayamsiddha camp were successfully achieved through the Student Development Department.</p> <p>The anchoring of the valedictory function was done by student Chetana S. Magar, while the vote of thanks was delivered by Prof. N. P. Pawar, the Student Development Officer. The workshop concluded with the national anthem.</p>

<p>Photos of the Event</p>	

Summary of the Event

The "SMILAX 2025" annual gathering at HRPIPER was celebrated with great enthusiasm under the theme "Indian Cineflix – Lights, Camera, and Action!" The event featured engaging theme days such as Traditional Day, Group Day, Mismatch Day, and Bollywood Day, which added to the festive atmosphere. The gathering was inaugurated by Mrs. Resha Patel and Dr. Umesh Sharma, with Principal Dr. S.B. Bari encouraging students to dream big and showcase their talents. A total of 119 students participated, presenting a wide range of performances including dances, songs, skits, plays, and instrumental music on the flute and guitar. Among the standout acts were dances by Shruti Bhoi, Sakshi Bharti, and Riya Gujarati, and a duet by Atharva Joshi and Chandrashekhar Patil. Sahil Aher's flute recital captivated the audience with its soulful melody. The Best Performance Award was claimed by the musical drama "Padmavat," followed by Jatin More's solo singing and the M. Pharmacy students' play "Kahi Jhala Tari Haraycha Nahi." The event was judged by Arundhati Patil, Dr. Hemakshi Chaudhary, and Dr. Ruchira Gajbhiye, and was successfully organized by the Cultural Program Committee under the leadership of Dr. Prashant Patil and dedicated faculty members.

Photos of the Event

Summary of the Event

Chhatrapati Shivaji Maharaj Jayanti was celebrated with great enthusiasm at HRPIPER honoring the legendary Maratha warrior and visionary leader. The event began with a powerful Powada (traditional ballad) performance by students, depicting Shivaji Maharaj’s bravery, military strategies, and dedication to Swarajya. This was followed by inspiring speeches by students, highlighting his leadership, progressive governance, and contributions to Indian history. The program also included discussions on his fort architecture, naval advancements, and administrative policies, emphasizing their relevance in today’s world. The Principal addressed the gathering, appreciating the students’ efforts and emphasizing the importance of Shivaji Maharaj’s values in shaping responsible and courageous

	individuals. The event successfully instilled a sense of patriotism, leadership, and cultural pride among students, concluding with a pledge to uphold the values of courage, justice, and self-reliance inspired by Shivaji Maharaj’s legacy.

Summary of the Event	<p>This five-day hands-on training session on High Performance Liquid Chromatography (HPLC) aims to provide participants with a comprehensive understanding of HPLC techniques and applications. The course is designed to cater to researchers, laboratory technicians, and industry professionals seeking practical experience in operating HPLC systems. The training includes theoretical sessions, hands-on laboratory exercises, and interactive discussions to enhance participants' skills in sample preparation, chromatographic analysis, and instrument maintenance. By the end of the course, participants will be proficient in operating HPLC instruments, analysing data, and troubleshooting common issues, thereby enhancing their competence in utilizing HPLC techniques effectively.</p>

Name of Activity	<p style="text-align: center;">One-Day Soft Skills Development Program</p> <p style="text-align: center;">18 March 2025</p>
Photos of the Event	<p style="text-align: center;">--</p>
Summary of the Event	<p>A one-day Soft Skills Development Program was organized on March 18, 2025, at H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur. It was conducted under the joint initiative of PM-USHA, New Delhi, and KBCNMU, Jalgaon. The program aimed to enhance students' soft skills through expert-led sessions. Dr. Gajanan Patil chaired the event. Mr. Ejaz M. Shaikh conducted the first session on Interpersonal Skills and Leadership. Prof. Suresh Pandey led the second session on Effective</p>

	<p>Communication Skills with practical exercises. Prof. Milkesh Jain delivered the third session on Time Management and Work Ethics. Prof. Salil Sabnis handled the final session on Problem-Solving and Analytical Skills. Principal Dr. S. B. Bari appreciated and shared the success of the program. Dr. V. K. Chatap coordinated the event, with co-coordinator Mrs. Kalyani S. Rajput. Dr. Ashutosh Patil served as Project Lead (PM-USHA, KBCNMU). Support was provided by Dr. S. R. Kolhe and Dr. Ujwal Patil. Faculty members Prof. D. M. Patil, Prof. V. S. Bagul, Prof. S. K. Aamle, and Prof. Sanjana Chordiya contributed to the event's success.</p>

<p>Name of Activity</p>	<p align="center">One Day National Level Conference on “Present and Future Opportunities for Drug Design and Development within Nanobiomedicine” 19 March 2025</p>
<p>Photos of the Event</p>	

	
<p>Summary of the Event</p>	<p>A national conference on “Current and Future Opportunities in Drug Design and Development in Nanobiomedicine” was jointly organized by Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon, and H. R. Patel Institute of Pharmacy, Shirpur, on March 19, 2025. The event was inaugurated by Dr. Shyamsundar Pancholi, Associate Dean at NMIMS, Shirpur, and presided over by Principal Dr. S. B. Bari. The sessions featured expert talks by Dr. Prakash Kendre, Dr. Sunil Gosavi, and Dr. Hitendra Mahajan, covering topics such as nanocarriers, nanocrystalline thin films, and nano-based drug delivery challenges and innovations. The conference witnessed enthusiastic participation from 151 researchers, faculty, and students from various states, and provided valuable insights into the evolving field of nanobiomedicine. The event concluded with acknowledgements by Dr. Prashant Patil and support from college leadership and organizing faculty.</p>

<p>Photos of the Event</p>	

Summary of the Event

A 15-week course on “Intelligence Tests” for competitive and government job examinations, as well as interview preparation, was conducted by Mr. Suhas Agey at the institution. The course provided significant benefits to the participating students by enhancing their understanding of various types of verbal and non-verbal reasoning questions. It helped them improve critical skills such as decision-making, problem-solving, and goal-setting, which are essential for building a strong career foundation. Additionally, students became familiar with common aptitude question patterns found in competitive exams and government recruitment processes. The course also prepared them to face interviews confidently, increasing their chances of getting

	shortlisted for further selection rounds.
Name of Coordinator	Mr. Suhas Suresh Agey
Name of Activity	Alumni interaction lecture by Ms. Pallavi More on “<i>Career Pathways and Challenges in Pharmaceutical Quality Assurance</i>” 12 April 2025
Photos of the Event	
Summary of the Event	<p>On 12th April 2025, Ms. Pallavi More, a distinguished alumni of H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, conducted an insightful guest lecture titled “Career Pathways and Challenges in Pharmaceutical Quality Assurance.”</p> <p>The session was attended by enthusiastic B. Pharm students who were keen to explore real-world career opportunities in the pharmaceutical industry. During the session, Ms. More shared her professional journey and shed light on the vital role of Quality Assurance in ensuring the safety and efficacy of pharmaceutical products. She elaborated on the structure and responsibilities of a QA department, the significance of Good</p>

	<p>Manufacturing Practices (GMP), and the documentation and regulatory challenges faced in the industry. She also highlighted the skills required to succeed in a QA role, including attention to detail, communication skills, and a thorough understanding of compliance standards. The talk offered practical guidance on how students can prepare for a career in QA, along with strategies for interviews and on-the-job expectations. The interactive nature of the session encouraged students to ask questions, discuss industry scenarios, and gain clarity on their career goals. The lecture proved to be highly informative, inspiring, and relevant for students aspiring to enter the pharmaceutical sector. This engaging alumni interaction not only enhanced students' understanding of industry expectations but also motivated them to set clear goals for their future professional journey.</p>

Faculty Achievements –

<p>Name of Achievement</p>	<p>Dr. Vivekanand Kisan Chatap Wins Second Prize at PHARMAANVESHAN-2025</p>
<p>Photo</p>	
<p>Summary of Achievement</p>	<p>Dr. Vivekanand Kisan Chatap, Associate Professor and Head of the Training and Placement Cell at H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, has been honored with the Second Prize in the Utility Granted Patent Oral Presentation (Category-I) during PHARMAANVESHAN-2025 – a national-level event themed “Collaborate, Innovate, and Elevate”. This prestigious event was organized on the occasion of National Pharmacy Education Day, commemorating the birth anniversary of Prof. M. L. Schroff, the Father of Pharmacy Education in India. The event was jointly hosted by the Pharmacy Council of India, New Delhi, and the Pharmacy College of South Gujarat, and held on March 6, 2025, at Uka Tarsadiya University, Bardoli, Gujarat.</p>

<p>Name of Achievement</p>	<p>Ph.D. Awardment to Dr. Prashant B. Patil</p>
<p>Photo</p>	
<p>Summary of Achievement</p>	<p>Dr. Prashant B. Patil officially conferred the degree of Doctor of Philosophy (Ph.D.) in Faculty of Pharmacy from Sankalchand Patel University, Visnagar (Ahmedabad) under the guidance of Dr. Jayvadan K. Patel. His doctoral research focused on isolation of isothiocyanates from cruciferous vegetables and embeddedment with polymeric nano formulation for potential targeting, and optimistic about its potential contributions to breast cancer and microbial infections. Demonstrating the high academic and scientific merit of his work, Dr. Patil has successfully published one comprehensive review article and three original research papers in internationally reputed journals, each with cumulative impact factor of 9.6, further establishing his contribution to the field of pharmaceutical sciences and nanomedicine.</p>

<p>Name of Achievement</p>	<p>Indian Utility Patent Granted to Dr. Vivekanand Kisan Chatap and Team for Novel Antibacterial Compound</p>
<p>Photo</p>	
<p>Summary of Achievement</p>	<p>Dr. Vivekanand Kisan Chatap, Associate Professor at H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, has been granted an Indian Utility Patent for the innovative invention titled: "Benzimidazole Hybrids with Guanine and Uracil for the Treatment of Bacterial Infections."</p> <p> Date of Grant: April 9, 2025</p> <p>This groundbreaking achievement is the result of a strong collaborative effort, particularly with Dr. Neha V. Bhilare,</p>

	<p>Associate Professor at Arvind Gavali College of Pharmacy, Satara, Maharashtra. The invention explores novel hybrid molecules aimed at combating bacterial infections, marking a significant stride in pharmaceutical research.</p>
<p>Name of Achievement</p>	<p>Dr. Vivekanand Kisan Chatap Honored with Best Teacher Award 2023 by KBCNMU, Jalgaon</p>
<p>Photo</p>	
<p>Summary of Achievement</p>	<p>Dr. Vivekanand Kisan Chatap, Associate Professor in the Department of Pharmaceutics and Head of the Training and Placement Cell at H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, has been conferred with the prestigious Best Teacher Award 2023 by Kavayitri Bahinabai Chaudhari North Maharashtra University (KBCNMU), Jalgaon.</p> <p>This esteemed recognition celebrates Dr. Chatap’s outstanding contributions to pharmacy education, academic excellence, and dedication to student mentorship over the years. Known for his</p>

	<p>passion for teaching, commitment to research, and leadership in academia, Dr. Chatap continues to inspire students and colleagues alike.</p>
<p>Name of Achievement</p>	<p>Dr. Vivekanand Kisan Chatap Participates in Training of Trainers 2 at MSPC Drug Information Centre</p>
<p>Photo</p>	
<p>Summary of Achievement</p>	<p>Dr. Vivekanand Kisan Chatap, Associate Professor at H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, actively participated in the Training of Trainers (ToT) 2 program organized by the Drug Information Centre, Maharashtra State Pharmacy Council (MSPC).</p> <p> Dates: March 22–23, 2025</p> <p> Venue: Training Hall, MSPC Office</p> <p>The program was designed to strengthen training methodologies and empower participants with advanced instructional skills essential for conducting effective Continuing Education Program (CEP) sessions. Through this initiative, Dr. Chatap has further</p>

	<p>enhanced his ability to lead impactful educational activities that contribute to the professional growth of pharmacy educators and practitioners.</p>
<p>Name of Achievement</p>	<p>National Seminar on Advanced Pharmacological Screening Techniques,</p>
<p>Photo</p>	
<p>Summary of Achievement</p>	<p>The National Seminar on Advanced Pharmacological Screening Techniques, a two-day event held at Principal K. M. Kundnani College of Pharmacy, successfully convened eminent scientists, researchers, and industry experts from across the country. The seminar emphasized the pivotal role of advanced in vitro and in vivo screening techniques in the realms of drug discovery, evaluation, and safety assessment.</p> <p>The sessions covered a broad spectrum of topics, focusing on novel methodologies, emerging experimental models, and technological</p>

<p>Summary of Achievement</p>	<p>Dr. Prashant B. Patil delivered an insightful guest lecture on the "Important and Advanced Trends of Pharmaceutical Analysis" at Gangamai College of Pharmacy, Nagaon, Dhule. The session was conducted for First Year M. Pharm and B. Pharm students, focusing on recent developments, cutting-edge techniques, and their practical implications in pharmaceutical research and quality control. The lecture was well-received by students and faculty, fostering academic collaboration and knowledge sharing across institutions.</p>
<p>Name of Achievement</p>	<p>Mr. S. N. Jain received the Best Oral Presentation Award at GOLD-CT-2024 conference, organized KBCNMU, Jalgaon</p>
<p>Photo</p>	 <p>The certificate is titled "Certificate" and is awarded to Swapnil Nitin Jain. It is presented at the Second International Conference "Global Opportunities for Latest Developments in Chemistry and Technology (GOLD-CT-2024)" held on September 18-19, 2024. The award is for the "Best Oral Presentation Award (PG / RS / Faculty category)". The certificate is signed by Prof. Dipak S. Dalal (Convener), Prof. D. H. More (Chairman), and Prof. P. P. Mahulikar (Former Pro-Vice-Chancellor). Logos of various organizations including SERB India, PPI-USA, and the Royal Society of Chemistry are visible at the top.</p>
<p>Summary of Achievement</p>	<p>This certificate acknowledges that Swapnil Nitin Jain received the Best Oral Presentation Award (Faculty category) at the Second International Conference Global Opportunities for Latest Developments in Chemistry and Technology (GOLD-CT-2024).</p>

	<p>The conference was organized by the School of Chemical Sciences, Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon and held on September 18-19, 2024.</p>
<p>Name of Achievement</p>	<p>Guest lecture on "Service to Society" by Dr. R. E. Mutha on 28 February 2025</p>
<p>Photo</p>	
<p>Summary of Achievement</p>	<p>On February 28, 2025, during the Aatmanirbhar Yuvati Abhiyan 2024–25, a guest lecture on "Service to Society" was delivered by Dr. R. E. Mutha at IMRD College, Shirpur. He highlighted the importance of selfless service as a key to social progress and personal development. He emphasized that helping the underprivileged, including tribal students, senior citizens, and specially-abled individuals, nurtures compassion, empathy, and community spirit.</p> <p>He also discussed various modes of social service such as volunteering, teaching, environmental conservation, and healthcare initiatives. The lecture encouraged students to engage in</p>

	<p>meaningful activities like blood donation drives, gender equality campaigns, and awareness programs. Dr. Mutha also addressed challenges like time management and resource constraints, urging students to adopt sustainable practices. The session concluded with a powerful message on leaving a legacy of compassion and inspiring future generations through community service.</p>
Name of Achievement	Poster Evaluation by Dr. R. E. Mutha at National Conference, Palskhede, Jamner on 1 February 2025
Photo	
Summary of Achievement	<p>Dr. R. E. Mutha served as a Poster Evaluator at One Day National Conference on ‘Transformative Role of AI in Pharmaceutical Sciences’ organized by Shri Prakshchand Jain College of Pharmacy and Research, Palaskhed Bk., Jamner on 1st February 2025.</p>
Name of Achievement	Dr. Mahendra Ramdas Mahajan has been awarded a Ph.D. degree by Kavayitri Bahinabai Chaudhari North Maharashtra University (KBCNMU), Jalgaon, on 20

	February 2025
<p>Photo</p>	
<p>Summary of Achievement</p>	<p>Dr. Mahendra Ramdas Mahajan has been awarded a Ph.D. degree by Kavayitri Bahinabai Chaudhari North Maharashtra University (KBCNMU), Jalgaon, on 20th February 2025. The title of his Ph.D. work is fluorescent nanomaterials for pesticides detection. As a key outcome of his research, he successfully published three research articles and two review articles, achieving a cumulative impact factor of 20.1. Additionally, he has been honored with multiple awards at Avishkar and other national conferences, reflecting the quality and impact of his academic contributions.</p>
<p>Name of Achievement</p>	<p>Dr. Mahendra Ramdas Mahajan received VCRMS grants of 1,40,000 from KBCNMU JALGAON</p>

<p>Photo</p>	
<p>Summary of Achievement</p>	<p>Dr. Mahendra Ramdas Mahajan received a VCRMS research grant of 1,40,000 from KBCNMU, Jalgaon, in support of his ongoing research work.</p>
<p>Name of Achievement</p>	<p>Guest lecture by Dr. Z. G. Khan, PM USHA sponsored Faculty Training Program on 01 March 2025.</p>
<p>Photo</p>	

Summary of Achievement

Dr. Z. G. Khan delivered a lecture at **PM USHA sponsored Faculty Training Program at R. C. Patel Arts, Commerce and Science College, Shirpur-425405**, on the topic “**Electromagnetic Spectrum and Analytical methodologies based on spectroscopy**” dated on 01 March 2025.

Name of Achievement

Guest lecture by Dr. Z. G. Khan on GPAT and Pharmacy Higher Education Counselling on 15 April 2025

Photo

<p>Summary of Achievement</p>	<p>Dr. Z. G. Khan delivered talk on “GPAT and Pharmacy Higher Education Counselling” dated 15th April 2025, at Royal College of Pharmaceutical Education and Research, Malegaon, Abdul Mutallib Campus, Sayne Khurd, Malegaon Dist. Nashik 423 203.</p>

Name of Achievement	Maharashtra State Level Kungfu, Karate Martial Arts Championship 2024

Photo

Summary of Achievement

Mahesh Nandre and Pushkar Jadhav, students of H.R. Patel Pharmacy College, won gold medals in the Shanda fight category at the first Maharashtra State-level Kung Fu, Karate, and Martial Arts Championship 2024, organized in Nashik by R. J. Sports and Educational Research Center, Wushu Association of Nashik District, Maharashtra IKFC Kung Fu Association, affiliated with the Kung Fu Association of India and International Kung Fu Council. Additionally, Professor Narayan Pawar was honored with

the first National-level Masters of Martial Arts Award for the year 2024–25. Mahesh Nandre and Pushkar Jadhav have been selected to participate in the 9th IKFC National Kung Fu Championship to be held at Puri Railway Hall, Odisha, on November 30 and December 1, 2024. The victorious students and the entire team were congratulated by the Principal of the college, Dr. S.B. Bari. H.R. Patel Pharmacy College, Shirpur, not only provides academic education but also imparts self-defense training.

PROGRAMME EDUCATIONAL OBJECTIVES

PEO 1: Academic Excellence: To provide sound knowledge of fundamental principles and their applications in the area of Pharmaceutical Sciences and Technology

PEO 2: Competency and Inventiveness: To produce pharmacy graduates with strong fundamental concepts and high technical competence in pharmaceutical sciences with innovative approaches.

PEO 3: Traits Improvement and Professionalism: To introduce regulation, professionalism, team spirit, communication skills, social and ethical commitment in the graduates in order to embellish leadership roles facilitating improvement in healthcare sector with a distinct professional identity, business acumen, global recognition and sustainable development.

PEO 4: Social Contribution: To train the students to contribute towards health care system by counselling for prophylaxis and prevention of diseases and creating awareness about healthcare issues.
