Action taken report on feedback on physical facilities 2023-24

1. The feedback received from the metrics of facilities (Library, computers, canteen, sports, and general infrastructure) was analysed.
2. The stakeholders were found to be satisfied with library, computer laboratory, and sports facilities.
3. It was observed that the sports facility can be improved by purchasing new kits, and setting up facilities for indoor games for females.
4. In order to make stakeholders satisfy, a few upgrades in canteen food quality is also suggested.

Respected Sir,

Being an affiliated institute, we strictly adhere to PCI curriculum and strive to deliver the curriculum to the student effectively. Every year our institute collects Feedback on Curriculum from various stakeholders such as students, teachers, employers and alumni through online as well as manual feedback system devised by the IQAC. Through simple survey method these stakeholders are asked various questions related to course contents, course outcomes and development of skills sets for employability along with value education. At the end of every academic year, report on feedback is submitted to the representatives on various boards of the affiliating university and respective authorities.

Therefore, I humbly request you to accept the detailed report along with analysis on curriculum feedback for your kind perusal. I hope this report may prove helpful for the betterment of the curriculum.

Regards,
Dr. S. B. Bari
