Brief Report on activity	In a world filled with bullying and societal pressures, we need our girls to grow up knowing that they are smart, strong, and empowered. No matter what goals they aspire to achieve, our young women need to know that if they work hard, they can reach for the stars. No matter her age or skill level, there is a place for her in our community and self-defense for girls could be the best thing for women of all ages. With the help of a grant received from the Student Development Department, KBC, NMU, and Jalgaon, we organized this workshop.
