Sr. No.	Corrective Action / Measures	Reason
1	Use of blended technology for teaching (Zoom video communication)	To improve expertise of teacher in teaching of subject.
2	Coursera courses completion	To increase competency and quality of teacher in teaching
3	Feedback conductance process revised from physical presence to online mode	Because of COIVD 2019 pandemic and maintain social distancing.
Some of corrective measures adopted in 2019-20 were also continued in 2020-21 which are given below:		
4	Use of innovative teaching methods such as google classrooms, audio visuals, demonstrations.	Assist the teachers to make student understands the concepts
5	Making the practical lab manuals for different subjects	To deliver the proper content and to define proper goals and procedures of lab activities
6	Sending the feedback reports by email digitally signed by head	To avoid unnecessary use of paper.

**Details of corrective actions:**

**A) AY (2022-23):**

- No corrective actions were needed in this academic year as already adopted corrective measures from previous years.

**B) AY (2021-22):**

- No corrective actions were needed in this academic year as already adopted corrective measures from previous years.

**C) AY (2020-21):**

- Due to COVID 2019 pandemic, there are no possibilities of students attain physical classes, so all the faculty used blended technology for teaching which includes, zoom as online platform, google classrooms etc. With the use of this, there are several issues such as low voice, less use of innovative methods of teaching, lack of demonstrations during lectures and practical, and lack of audio-visuals were get solved and all the students were able to understand the concepts clearly and it was reflected as increase in number of faculties who got excellent grades in student feedback in coming semesters. As aid to these online platforms, institute has already established the sound system at classroom. It was observed that problem of audibility was resolved.
- To enhance competency in teaching some of faculties were completed the course sera course such as Learning to Teach online, assessment of learning etc. It was observed that confidence of teacher is improved with attending this course.
- Feedback of some of faculties were reflected the lack of defining proper procedures and goals for laboratory activities. To overcome this problem, many faculty members were prepared the lab manuals of subject and circulated to students.
- It was observed during whole feedback process that there is unnecessary usage of hard copy paper for sending feedback reports of all staff for all the subjects. To overcome this, it was decided in consultation with head of institute to send digitally signed faculty feedback report to emails of individual staff. All the feedback reports were sent through emails of faculties as per decided.

**D) AY (2019-20):**

- The feedback report of some faculties indicating need to adopt innovative teaching methods such as audio, visuals, demonstrations etc. To overcome this institute has purchased updated smart boards as teaching aid and faculty members were using the same and providing several e-resources links to get students concept clear. Along with this, additional updates such as inbuilt microphone, camera also assist the teachers to improve teaching quality.
