"Serving Nations' Health"

Approved by AICTE, PCI, Delhi, Govt. of Maharashtra, Mumbai, Affiliated to NMU, Jalgaon, & An ISO 9001:2008 Certified Institute

Shri. Amrishbhai R. Patel President (M.L.A.) Dr. Sanjaykumar B. Bari Principal (M.Pharm., Ph.D.)

# **Research and Development Committee**

The committee consist of faculties from various departments of the institute. The committee looks for smooth and efficient co-ordination of research and development activities within institute which ultimately leads to institute development. The committee will contribute towards valuable inputs to foster research and development activities within the institute. The committee will plan, promote and evaluate the R & D activities at the institute level.

Sr. No.	Name of members	Designation
1	Dr. S. B. Bari, Chairman	Principal and Professor
2	Dr. D. D. Patil, Member	Head, Pharmaceutical Analysis
3	Dr. P. O. Patil, Member	Head, Pharmaceutical Chemistry
4	Dr. R. E. Mutha Member/ Incharge	Head, Pharmacognosy
5	Dr. L. R. Zawar, Member	Head, Pharmaceutics
6	Dr. P. S. Bafna, Member	Head, Pharmacology
7	Mr. S. N. Jain, Member	Assistant Prof., Pharmaceutics

#### Functions of research and development committee:

- To encourage faculty members to prepare research proposals, interdisciplinary research, product design and development, publications in reputed journals and conferences.
- To initiate and promote MOU with industries and R & D organizations; for consultancy, collaborative research, sponsored projects, Industry-Institute interaction etc.
- To arrange talks and interactions by eminent personalities from Industry, R & D organization and institutions of repute; for the better understanding of research methodology and practices currently followed.

"Serving Nations' Health"

Shri. Amrishbhai R. Patel President (M.L.A.)

Dr. Sanjaykumar B. Bari Principal (M.Pharm., Ph.D.)

- To suggest peer reviewed national and international journals for subscription in the central library.
- To develop research proposals for up-gradation of laboratories through AICTE/UGC/MHRD/KBCNMU funding opportunities.
- To encourage students and faculty to apply for patent or other Intellectual Property Rights.
- To conduct national conferences/seminar/symposium/workshop etc.
- To allocate budget for conducting workshops, training programs, seminars, conferences and Faculty Development Program also for the staff who are attending workshops, conferences and paper presentation outside the institute. It also includes software purchasing for various departments for research purpose (like Design expert, statistics etc.).
- To motivate faculty and students to design, fabricate and implement viable functional projects for the benefits of institute and society.
- To motivate students and faculty for presenting technical papers/projects at least in National conferences, competitions and exhibitions.

H.R Patel Institute of Pharmaceutical Education & Research Shirpur Dist.Dhule(M.S) 425 405

#### NOTICE

All members of Research monitoring committee are hereby inform regarding Meeting of Research monitoring committee will be held on Saturday, 13/01/2018 at 5.30 pm at conference room of institute.

#### AGENDA

- To submit the research publication details during period 1<sup>st</sup> Jan 2017 to 31<sup>st</sup> December 2017.
- To update data related to book/book chapter/patent publication during period 1<sup>st</sup> Jan 2017 to 31<sup>st</sup> December 2017.
- 3. To participate in conferences, workshop, FDP, Seminar etc.
- 4. To prepare Research proposal applications.
- 5. To encourage faculty to do consultancy from academic institutions and industry.
- 6. To encourage faculty member for higher education (Ph D).
- 7. Any other matter with the permission of Chair.

#### **MINUTES OF MEETING**

The meeting of all the members of Research monitoring committee at HRPIPER was held on  $13^{\text{th}}$  January 2018 at 5.30 pm conference room. List of participants is given in ANNEXURE – I.

- All the faculty members were asked to submit the publications, patents, book/book chapter of the period 1<sup>st</sup> Jan 2017 to 31<sup>st</sup> December 2017. So, college will proceed for bound volume of publication.
- 2. The teaching staff of H. R. Patel Institute of Pharmaceutical Education and Research to be encouraged for participation in conferences, workshop, FDP, Seminar etc.
- 3. All members of committee are asked to support to teaching faculty and them self also to apply for different research proposal applications.

The various funding agencies suggested during discussion as: VCRMS, RGSTC, DST, SERB, and AICTE etc.

- 4. The faculty should also focus on consultancy to institute from academic institutes and industry.
- 5. Those faculty who not registered for Ph D, should register for Ph. D.

6. The meeting ended with vote of thanks to Chair

# NOTICE

All members of Research monitoring committee are hereby inform regarding Meeting of Research monitoring committee will be held on Saturday, 18/07/2020 at 5.30 pm at conference room of our institute.

#### AGENDA

1. To submit Research activity report by each staff which to be submitted to North Maharashtra University, Jalgaon during period 1st July 2019 to 30th June 2020. It contains the following information from each faculty.

2. To participate in conferences, workshop, FDP, Seminar etc.

3. To apply research proposal applications to different funding agencies.

4. Any other matter with the permission of Chair.

PRINCIPAL H. R. Patel Institute of Pharmaceubood Education & Research, Shipur Dist Dhute (M.S.) 425 405

Principal : Dr. S. B. Bari M.Pharm. Ph.D., D.I.M.F.J.C.

Date: 21/07/2020

# Minutes of the Meeting

# Submission of Research Activity Report

Action: All faculty members are requested to compile their respective reports and submit them to the committee by [30/08/2020].

# Participation in Conferences, Workshops, FDP, Seminars, etc.

Action: Faculty members are encouraged to identify upcoming conferences, workshops, FDPs, seminars, etc., related to their research interests and inform the committee about their intention to participate.

# Research Proposal Applications

Action: Faculty members are advised to identify suitable funding agencies and prepare research proposal applications accordingly. The committee can provide guidance and support in the application process.

#### Other Matters

Action: Faculty members are encouraged to bring forward any other matters they deem necessary to discuss during the meeting, subject to the Chair's approval.

#### Next Meeting:

The date, time, and location for the next Research Monitoring Committee meeting will be determined and communicated to all members at a later date.

# **Minutes of the Meeting**

# Submission of Research Activity Report:

- It was noted that each staff member is required to submit their research activity report to North Maharashtra University, Jalgaon for the period from 1st July 2020 to 30th June 2021.
- The committee confirmed that all staff members have complied with this requirement and submitted their reports within the given deadline.

# Participation in Conferences, Workshops, FDPs, and Seminars:

- The committee discussed the importance of participating in conferences, workshops, FDPs, and seminars to enhance research skills and knowledge.
- It was decided that each faculty member should actively seek opportunities to
  participate in relevant events and share the knowledge gained with their colleagues.

# **Research Proposal Applications to Funding Agencies:**

- The committee emphasized the need to apply for research funding from different agencies to support ongoing and future research projects.
- It was suggested that the faculty members collaborate and share information regarding potential funding opportunities.

# **Encouraging Student/Staff Participation in Conferences/Presentations:**

• It was recommended that faculty members mentor and guide students in preparing their research work for presentations and conferences.

11/06/2022

# **Minutes of the Meeting**

# Submission of Research Activity Reports:

Each staff member is required to submit their Research Activity Reports to North Maharashtra University, Jalgaon. The reports should cover the period from 1st July 2021 to 30th June 2022.

# Participation in Conferences, Workshops, FDP, Seminars, etc.:

Members discussed the importance of participating in various academic events. It was emphasized that staff members should actively seek opportunities to attend and present their research work.

# NAAC Related Documentation and Feedback:

The committee discussed the documentation and feedback required for NAAC accreditation. It was decided to assign specific responsibilities to individual members to ensure the timely completion of NAAC-related tasks.

# **Research Proposal Applications to Funding Agencies:**

Members were encouraged to collaborate on interdisciplinary research projects and seek external funding.

# **Encouraging Student Participation in Avishkar:**

The committee discussed the importance of involving students in Avishkar, an annual research competition. Staff members were encouraged to motivate and guide students to participate actively in Avishkar and showcase their research projects.

# Admission 2022-23 (B. Pharm, M. Pharm):

The committee briefly discussed the upcoming admissions for the academic year 2022-23 for B. Pharm and M. Pharm programs. It was decided to form an admission committee responsible for managing the admission process efficiently.

PRINCIPAL H. R. Patel Institute of Pharmaceubcel Education & Research, Stepur Dist Dhule (M.S.) 425 405

Principal : Dr. S. B. Bari M.Pharm. Ph.D., D.I.M.F.J.C.

# Action Taken Report:

- It was noted that all staff members have submitted their Research Activity Reports within the specified timeline.
- The committee members acknowledged the significance of participating in conferences, workshops, FDPs, seminars, etc., and expressed their commitment to actively engage in such events.
- The committee appointed designated members to handle the necessary NAAC documentation and gather feedback from stakeholders. The progress will be reviewed in the next meeting.
- It was decided that each staff member would identify suitable funding agencies and initiate the process of submitting research proposal applications.
- Staff members agreed to support and guide students for their participation in Avishkar, providing necessary assistance and mentoring.
- The committee formed an admission committee to oversee the admission process for B. Pharm and M. Pharm programs.
- Members were informed that any additional matters could be raised with the permission of the chair.

# **Research Policy**

#### 1. Introduction

The H. R. Patel Institute of Pharmaceutical Education and Research (HRPIPER) is committed to fostering a culture of research and development (R&D) excellence. This Research Policy Document outlines the guiding principles, objectives, and strategies for promoting and coordinating R&D activities within the institute. The document aims to ensure the smooth and efficient coordination of research efforts, ultimately leading to the overall development of the institute.

#### 2. Objectives

The primary objectives of the research policy at HRPIPER are as follows:

- a. To promote a vibrant research environment that encourages faculty, students, and staff to engage in cutting-edge research activities.
- b. To enhance the quality and impact of research outcomes through rigorous evaluation and strategic collaborations.
- c. To facilitate the translation of research findings into practical applications that benefit society, industry, and healthcare.
- d. To provide necessary resources, infrastructure, and support for research and development activities.
- e. To encourage interdisciplinary and multidisciplinary research collaborations within the institute and with external stakeholders.
- f. To establish mechanisms for monitoring and assessing the progress and impact of research initiatives.

#### 3. Roles and Responsibilities

The research policy assigns the following roles and responsibilities to various stakeholders within the institute:

- a. Research and Development Committee: The committee, composed of faculty members from different departments, will oversee and coordinate R&D activities at the institute. Their responsibilities include planning, promoting, and evaluating research initiatives.
- b. Faculty Members: Faculty members are expected to actively engage in research and publish their findings in reputable journals. They should also mentor and guide students in research endeavors.

"Serving Nations' Health"

Approved by AICTE, PCI, Delhi, Govt. of Maharashtra, Mumbai, Affiliated to NMU, Jalgaon, & An ISO 9001:2008 Certified Institute

Shri. Amrishbhai R. Patel President (M.L.A.)

Dr. Sanjaykumar B. Bari Principal (M.Pharm., Ph.D.)

- c. Students: Students are encouraged to participate in research projects and receive mentorship from faculty members. They should adhere to ethical research practices and actively contribute to the dissemination of research findings.
- d. Administration: The institute administration is responsible for providing adequate resources, infrastructure, and funding support for research activities. They should create a conducive environment for research and facilitate collaborations with external stakeholders.

#### 4. Research Funding and Resources

HRPIPER recognizes the importance of adequate funding and resources for conducting impactful research. The institute will:

- a. Seek external research grants and collaborations with funding agencies, industry partners, and government bodies.
- b. Allocate a portion of the institute's budget specifically for research and development activities.
- c. Provide researchers with access to state-of-the-art laboratory facilities, equipment, and research databases.
- d. Establish research fellowships, scholarships, and grants to support and recognize outstanding research contributions.

#### 5. Ethical Considerations

HRPIPER is committed to upholding ethical standards in research and development. The institute will:

- a. Ensure that all research activities involving human subjects or animals comply with relevant ethical guidelines and regulations.
- b. Establish an Institutional Ethics Committee to review and approve research proposals involving human subjects.
- c. Promote responsible conduct of research, including integrity, transparency, and adherence to intellectual property rights.

### 6. Dissemination of Research Findings

HRPIPER encourages the dissemination of research findings to contribute to the global body of knowledge. The institute will:

- a. Facilitate the publication of research articles in peer-reviewed journals and conference proceedings.
- b. Encourage researchers to present their work at national and international conferences.
- c. Establish platforms, such as seminars, symposiums, and workshops, for researchers to share their findings within the institute and with the wider scientific community.

"Serving Nations' Health"

Approved by AICTE, PCI, Delhi, Govt. of Maharashtra, Mumbai, Affiliated to NMU, Jalgaon, & An ISO 9001:2008 Certified Institute

Shri. Amrishbhai R. Patel President (M.L.A.)

Dr. Sanjaykumar B. Bari Principal (M.Pharm., Ph.D.)

### 7. Monitoring and Evaluation

HRPIPER recognizes the importance of monitoring and evaluating research activities to assess their impact and identify areas for improvement.

The institute will:

- a. Implement a system for tracking and documenting research outputs, such as publications, patents, and collaborative projects.
- b. Conduct periodic evaluations of research programs and initiatives to measure their effectiveness and relevance.
- c. Use feedback from stakeholders to improve research support systems and address any barriers or challenges faced by researchers.

The Research Policy Document of HRPIPER establishes a framework for promoting and coordinating research and development activities within the institute. By fostering a vibrant research environment, providing necessary resources, and upholding ethical standards, HRPIPER aims to enhance its contribution to the field of pharmaceutical education and research. Through strategic collaborations and the dissemination of research findings, the institute seeks to drive innovation and societal impact.

H.R Patel Institute of Pharmaceutical Education & Research Shirpur Dist.Dhule(M.S) 425 405

Principal : Dr. S. B. Bari M.Pharm. Ph.D., D.I.M.F.J.C.

# Staff welfare Policies and Guidelines under Research and Development Committee

- Motivate the faculty for doing his/ her PG or PhD.
- Provide the study leave for their course work.
- Provide facility to do research work in college campus.
- Motivate the faculty to publish books in good publishers at national or international level.
- Provide incentive for publishing Technical Paper in National/International journals.
- Provide Incentive for presenting a paper at National/International Seminars/Conferences.
- Provide facility of checking Plagiarism of research paper using plagiarism software.

# Entitlements for Registration & Travel for presenting papers at National & International Seminars/Conferences

- ✓ For the faculty attending national or international conferences as author, the institute will pay the registration charges (maximum ceiling of Rs. 2000/- per paper) and eligible DA with sleeper class fare at actuals for presenting the paper.
- ✓ Faculty members will be eligible for travel outside India (50% of travel expenses or a maximum of Rs. 50,000) and registration fee (100%), for paper presentation, provided the conference/seminar is hosted by a reputed institution. Preferably, such expenses should have been factored into the project/research grant.

# The following important points regarding Financial Assistance for attending National / International (Conference / Workshop / Seminar).

- Financial Assistance for attending National/ International (Conference/ Workshop/ Seminar) should be submitted to departmental coordinator after approval of Principal with attachments like hard copy of paper, brochure and acceptance letter.
- After attending National/ International (Conference/Workshop/Seminar), while claiming for TA/DA/Registration fees, submit original copy of bills/registration receipts to departmental coordinator and one Xerox copy to Account Office with attachments like hard copy of paper, brochure, acceptance letter, tickets and certificate.

Principal : Dr. S. B. Bari M.Pharm. Ph.D., D.I.M.F.J.C.

## Faculty Development Program (FDP)/ Staff Development Program (SDP)

- Members of the faculty are encouraged to participate in Workshops/SDP/FDP, as may be decided by the Institute from time to time.
- Faculty members attending a program of more than three days duration shall plan their participation in the semester break/summer vacation so that the academic schedule of the students remains undisturbed. Members of the faculty pursuing their PhD part time are also encouraged to attend summer training programs.
- Faculty sent for such programs shall be eligible for TA and DA for the duration of the training program.
- Eligibility for such programs shall be restricted to two faculty members per semester from a department. In general, programs sponsored by AICTE/ISTE/DST and other instances where the host institution takes care of significant portion of the training cost shall be given priority, and the faculty will be given Academic Leave for the period.

#### **Incentive for Externally Funded Research**

The Institute shall pay the research team an incentive equivalent to 05 % of the research grants received from external funding agencies after successful completion of research work on submission of UC. (in case of a team, the amount shall be shared equally among team members)

#### Incentive for published/ granted patent.

Faculty members are encouraged to filling the patent. The institute will pay all government fees regarding the Patent filling application, publication fee and patent agent fees.

# Summary Report of One Day 'Entrepreneurship Skill Development Workshop' (26/02/2022)

H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur and KCIIL Innovation and Entrepreneurship Development Cell (K-IEDC) had organized one day 'Entrepreneurship Skill Development Workshop' on 26/02/2022 from 10.30 am in S. M. Patel Auditorium Hall. The program was presided by Dr. P. O. Patil and co-ordinated by Dr. V. K. Chatap and Dr. R. E. Mutha.

The main objective behind the organization of this event is to motivate and introduce the students about entrepreneurship by the young entrepreneurs. For the said workshop eminent speakers and young entrepreneurs, Mr. Rahul Baviskar (Amalner) and Mr. Vinayak Patil (Amalner) expressed their thoughts. Prof. Nilesh Patil (RCP Polytechnic, Shirpur) graced this workshop as Guest of Honor and addressed to the students. Mr. Rahul Baviskar delivered his talk on the topic, 'How to start small scale industrial unit' and guided the students regarding the various requirements needed to start your own unit. He emphasized in the process for registration, finance generation and marketing strategies. Another eminent speaker, Mr. Vinayak Patil expressed his expertise on the topic, 'Business Attitude and Skills'. He made attention on the attitude and skills required for the entrepreneurship in his talk. Along with this, Prof. Nilesh Patil introduced the students about the various activities carried out by the Shirpur Education Society regarding entrepreneurship development among the students. With this, he also introduced about the various entrepreneurship schemes run by the government to inculcate entrepreneurship attitude among the students.

Speakers also solve the doubts raised by the budding entrepreneurs in a very nice and lucid manner. 193 students and 20 teaching and nonteaching staff members have benefited from this workshop. At the end, co-ordinator of this workshop, Dr. R. E. Mutha delivered the vote of thanks. The workshop was concluded by national anthem.

## News of the event Entrepreneurship Skill Development Workshop (26/02/2022)

लोकमत

शिरपूर एच.आर.पटेल फार्मसी महाविद्यालयातर्फे आयोजन

# उद्योजकता कौशल्य विकासावर कार्यशाळा

लोकमत न्यूज नेटवर्क शिरपूर : शहरातील एच.आर.पटेल फार्मसी महाविद्यालयात उद्योजकता कौशल्य विकास कार्यशाळा संपन्न झाली.

कार्यशाळेचे उदघाटन उद्योजकता कौशल्य विकास कार्यशाळेचे प्रमुख वक्ते अमळनेर येथील स्वदेशी हस्तकलाचे राहूल बाविस्कर व स्टार्टअप इंडियाचे मार्गदर्शक विनायक पाटील यांनी सरस्वती पूजनाने केले. यावेळी महाविद्यालयाचे शैक्षणिक समन्तयक डॉ.पी.ओ. पार्टील, समन्तवक डॉ.आर.ई.मुथा, डॉ.व्ही.के. चटप उपस्थित होते.

डॉ.पी.ओ.पाटील म्हणाले. केसीआयआवएल नवोपक्रम आणि उद्योजकता विकास सेलचे उदिष्टे स्पष्ट करत भविष्यात नवनिर्मित भारतासाठी उद्योजक घडण्यासाठी

SEAL

कार्यशाळेत राहूल वाविस्कर मार्गदर्शन करतांना.

डॉ.एस.बी.बारी प्राचार्य यांच्या मार्गदर्शनात अशा कार्यशाळा आयोजित करण्यास बांधील करण्यासाठी लागणाण्या सर्व वार्वीची असल्याची ग्वाही दिली.

बाविस्कर यांनी लघु उद्योग कसे सुरू करावे, विद्यार्थ्यांना स्टार्टअप चालू सखोल माहिती देत शासनाच्या विविध कार्यशालेचे पहिले पुष्पमध्ये राहल योजनांबाबत उपस्थितांना अवगत

केले.

कार्यशाळेचे द्वितीय पुष्प विनायक पार्टील यांनी व्यवसाय कोशल्य वृत्ती आणि वाजार संशोधन या विषयावर गंफले.

# Subject: Regarding permission for Industry visit.....

Respected sir,

With reference to the above mentioned subject, our students have to visit the industry, which is the part of their board syllabus. I hereby request you to kindly allow them to visit the industry. I assured you that our students will abide by the rules and regulations of the industry during the time of the visit.

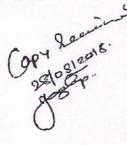

I hope for your kind co-operation and permission to visit the industry. This will be our goodness to create new industry - institute interaction.

Thanking you in anticipation.

# **Industrial Visit Report**

Company: Maxheal Pharmaceutical (India) Ltd, Plot No-95/6, Satpur MIDC, Nashik 422007 (Maharashtra), dated 27/09/2019

Organiser College: SES's H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, Dhule (Maharashtra) 425405

Travel Assistance: Navkar Travels, Shirpur, Dist. Dhule

Class: Final Year B. Pharmacy, Total number of Students: 54 (Boys: 32 & Girls: 22)

Total numbers of Teachers: 04 (Dr. P. O. Patil, Mr. R. E. Mutha, Ms. P. H. Patil, Mr. S. S. Shinde)

## Introduction:

The goal of the B. Pharmacy (Final Year) Industry visit to Maxheal Pharmaceutical (India) Ltd at Satpur MIDC, Nashik was to experience the organization and culture of a SES's H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, Dhule (Maharashtra) to offer a great source **"To gain practical knowledge".** Students can observe and learn as to how theoretical concepts are put to in to action, thereby aiding their practical learning. Students are exposed to real working environment and shown how things are done in an organisation.

Industrial visit is a part of professional (B. Pharmacy) courses, during which Pharmacy students visit Pharmaceutical manufacturing (Oral Dosage forms) companies and get insight of on the internal working environment of the company. Industry visits sensitize students to the practical challenges that organizations face in the business world. Industrial visits also give greater clarity about various management concepts for students as they can practically see how these concepts are put into action. Visits to manufacturing firms are useful for students to understand the process and realities of the shop floor (Production department), this in itself is a rare exposure. By visiting the shop floor, they get to understand the risky conditions in which workers work, the people management challenges involved in managing workers apart from getting hands-on technical knowledge. The industrial visit also provides an insight on how companies work and also useful information related to the practical aspects of the course which cannot be visualized in lectures.

# Site Visit Outline:

We had visited Maxheal Pharmaceutical (India) Ltd from 1 pm to 4 pm on 2019 September 27th, Day-Friday and spent the day following the activities of a Final Year B. Pharmacy class 2019-2020. Students observed as their teacher led the students through Gowning process of Maxheal Pharmaceutical (India) Ltd for entry and exit procedure. During the visit, students attended an oral presentation of Maxheal Pharmaceutical (India) Ltd by Mr. Hitesh M. Dhadiwal (Administrative Manager), Mrs. Rukmini Prasad (Assistant Manager, Administration

department). Students spent afternoon hours by interacting with expertise officer of Production, QA and QC department (Mrs. Joshi) on their experiences working at Maxheal, in order to get a sense of the unique challenges and process of their Standard operating procedure to carry out regular operations and activities and Batch Manufacturing process for Capsule Dosage Forms.

# **Points of Note:**

During students visit, they learned how to make capsule dosage forms and its packaging to finished dosage forms and with their testing methods for getting a quality product. QA person, with whom students interact, expressed a genuine procedure for getting a quality product. Along with this, quality control testing with their specifications given by in-house testing procedures was also discussed with the students. After that students had been demonstrated for various activities under various department like

### Warehouse department-

- Raw material receiving area
- Empty hard gelatin capsule store 1 & II
- Packing material receiving area

# **Production department-**

- Blend Quarantine, I & II
- Washing Area
- Cleaned Equipment Storage
- Day Store
- Blending I & II
- Capsule filling machine Pam AF 90T
- IPOC
- Ancillary room
- Dry Syrup Filling

#### **Packing Department-**

- Blister Packing, I & II
- Primary packing material storage

## QC Department-

- Instrument room
- Chemical storage room
- Chemical section

# **Microbiology Department-**

- · Microbial section air lock I
- Media destruction section
- Control sample room

H.R. Patel institute of Pharmaceutica Education & Research Shirpur Dist.Dhule(M.S) 425 405

# QA department-

- QA documentation cell
- B.S.R record room (Current and old)

# Benefits of Industrial's Visit:

- The industrial visit provides an insight on how companies work and also useful information related to the practical aspects of the course which cannot be visualized in lectures. With an aim to go beyond academics, these visits are arranged to develop the insights of the students – attaining practical knowledge and their theoretical applications thereof.
- 2. In addition, the students also benefit in the following ways:
  - They get an opportunity to gain in-depth knowledge about the field of their interest, helping them make the correct career choice in future.
  - Interfacing with the industry gives them a chance to build networks and to improve their business communication skills.
  - The industry visit enables the students to apply their classroom learning to a real-life situation while being mentored by a variety of industry experts.

## Summary:

Industrial visits are accepted by every industry and not offered to everyone. There is a procedural of getting access or permissions, which is required to get into any industry for a visit education. We often see that students desperately want to have practical knowledge but failing in gaining so because of improper guidance. Students always desperately wait for a chance to get interacted with core industries. Maxheal Pharmaceutical (India) Ltd and H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, Dhule. (Maharashtra) provides students the opportunity to interact with industries, which is in fact a very good exposure to students in their career as a Pharmaceutical industry.

# **Conclusion:**

 The goal of the visit met the expectations of students to understand the knowledge and skill requirement to work as a Pharmacist in pharmaceutical industry and the various aspects to fulfil the requirements of pharmaceutical dosage forms as a medicine intended purpose to diagnosis, treatment and prevention of disease. Along with this, we tried to fill the gap between academia and industry by this industrial visit.

Subject: Regarding permission for industrial visit ....

# Respected Sir/Mam,

With reference to the above mentioned subject, our students have to visit the pharmaceutical industry, which is the part of their curriculum. We hereby request you to kindly allow them to visit the industry. We assure that our students will abide by the rules and regulations of the industry during the time of the visit.

We hope for your kind co-operation and permission to visit the industry for 24 students and two staff memebers. This will be our goodness to strengthen industry-institution interaction.

Thanking you in anticipation.

# **Industrial Visit Report**

# Company: Modern Laboratories, Indore dated 18/11/2022

Organiser College: SES's H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, Dhule (Maharashtra) 425405

Travel Assistance: MSRTC Bus, Shirpur, Dist. Dhule

Class: T. Y. B. Pharm & S. Y. B. Pharm, Total number of Students: 52 (Boys: 30 & Girls: 22)

Total numbers of Teachers: 04 (Dr. R. E. Mutha, Dr. V. K. Chatap, Ms. R. T. Dhole, Mr. D. M. Patil)

# Introduction:

The goal of industrial visit to Modern Laboratories, Indore was to experience the organization and culture of pharmaceutical industry. SES's H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, Dhule (Maharashtra) offer a great source **"To gain practical knowledge"**. Students can observe and learn as to how theoretical concepts are put to in to action, thereby aiding their practical learning. Students are exposed to real working environment and shown how things are done in an organisation.

Industrial visit is a part of professional (B. Pharmacy) courses, during which pharmacy students visit pharmaccutical manufacturing companies and get insight of on the internal working environment of the company. Industry visits sensitize students to the practical challenges that organizations face in the business world. Industrial visits also give greater clarity about various management concepts for students as they can practically see how these concepts are put into action. Visits to manufacturing firms are useful for students to understand the process and realities of the shop floor (Production department), this in itself is a rare exposure. By visiting the shop floor, they get to understand the risky conditions in which workers work, the people management challenges involved in managing workers apart from getting hands-on technical knowledge. The industrial visit also provides an insight on how companies work and also useful information related to the practical aspects of the course which cannot be visualized in lectures.

# Site Visit Outline:

We had visited Modern Laboratories, Indore from 12 noon to 3 pm on 18<sup>th</sup> Nov 2022, Day-Friday and spent the day following the activities of T. Y. and S. Y. B. Pharm students 2022-23.

# **Points of Note:**

During students visit, they learned how to make tablet, capsule, injectable dosage forms and its packaging to finished dosage forms and with their testing methods for getting a quality product. QA person, with whom students interact, expressed a genuine procedure for getting a quality product. Along with this, quality control testing with their specifications given by in-house testing

Patel Institute of Pharmaceutic. Education & Research Shirpur Dist.Dhule(M.S) 425 401

procedures was also discussed with the students. After that, students had been demonstrated for various activities under various department.

# Benefits of Industrial's Visit:

- The industrial visit provides an insight on how companies work and useful information related to the practical aspects of the course which cannot be visualized in lectures. With an aim to go beyond academics, these visits are arranged to develop the insights of the students – attaining practical knowledge and their theoretical applications thereof.
- 2. In addition, the students also benefit in the following ways:
  - They get an opportunity to gain in-depth knowledge about the field of their interest, helping them make the correct career choice in future.
  - Interfacing with the industry gives them a chance to build networks and to improve their business communication skills.
  - The industry visit enables the students to apply their classroom learning to a real-life situation while being mentored by a variety of industry experts.

# Summary:

While not every industry offers them, industrial visits are welcomed by all of them. To enter any industry for the purpose of receiving education, there is a procedure for obtaining entrance or authorization. We frequently observe students who fervently desire practical knowledge but fall short of achieving it due to inadequate instruction. Students always desperately wait for a chance to get interacted with core industries. Modern Laboratories and H. R. Patel Institute of Pharmaceutical Education and Research, Shirpur, Dhule. (Maharashtra) provides students the opportunity to interact with industries, which is in fact a very good exposure to students in their career as a Pharmacist in Pharmaceutical industry.

# **Conclusion:**

The visit's objectives were met, as students gained an understanding of the knowledge and skills needed to work as a pharmacist in the pharmaceutical industry as well as the various factors that must be satisfied for pharmaceutical dosage forms to serve their intended purpose of disease diagnosis, treatment, and prevention. Additionally, through this industrial tour, we attempted to bridge the gap between academics and industry.

Dr. R. E. Mutha Mr. D. M. Patil

### The Shirpur Education Society's H. R. PATEL INSTITUTE OF PHARMACEUTICAL EDUCATION & RESEARCH, SHIRPUR

### DOWN'S SYNDROME: Down syndrome (DS or DNS), also known as trisomy 21,

### is a genetic disorder caused by the presence of all or part of a third copy of chromosome 21.

It is typically associated with physical growth delays, mild to moderate intellectual disability, and characteristic facial features. The average IQ of a young adult with Down syndrome is 50, equivalent to the mental ability of an 8 or 9-year-old child, but this can vary widely.

SIGNS AND SYMPTOMS: Those with Down syndrome nearly always have physical and intellectual disabilities. As adults, their mental abilities are typically similar to those of an 8or 9-year-old [7] They also typically have poor immune function and generallyreach developmental milestones at a later age.[8] They have an increased risk of a number of other health ggblegs, ingliging, congenital heart defect, epilepsy, leukemia, thyroid diseases, and mental disorders.

### MECHANISME-

The dementia which occurs in Down syndrome is due to an excess of se.This peptide is

amyloid beta peptide produced in the brain and is similar to Alzheimer's disease. This peptide is processed from amyloid precursor protein, the gene for which is located on chromosome 21. Senile plaques and neurofibrillary tangles are present in nearly all by 35 years of age, though dementia may not be present. Those with D S also lack a normal number of lymphocytes and produce less antibodies which contributes to their increased risk of infection.

### SCREENING-

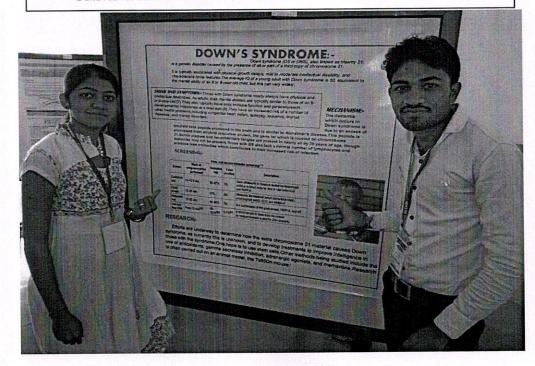

Screen	Week of pregnancywhen performed	Detection rate	False positive	Description
Combined test	10-13.5 wks	82-87%	5%	Uses ultrasound to measure nuchal translucency/n addition to blood tests for free or total beta-hCG and PAPP-A
Quad screen	15-20 wks	81%	5%	Measures the maternal serum alpha-fetoprotein, unconjugated estrici, hCG, and inhibin-A
integrated test	15-20 wks	94-96%	5%	Is a combination of the quad screen, PAPP-A, and N
Cell-free fetal DNA	From 10 wks <sup>(82)</sup>	96- 100%/83]	0.3%/84	A blood sample is taken from the mother by venipunctureand is sent for DNA analysis.

### RESEARCH-

1

Efforts are underway to determine how the extra chromosome 21 material causes Down syndrome, as currently this is unknown, and to develop treatments to improve intelligence in those with the <u>syndrome.One</u> hope is to use stem <u>cells.Other</u> methods being studied include the use of antioxidants, gamma <u>secretase</u> inhibition, adrenergic agonists, and <u>memantine.Research</u> is often carried out on an animal model, the Ts65Dn mouse.<sup>1</sup>

### Subject: Letter of Appreciation

Dear Sir,

Thank you very much for delivering webinar on "**RTI and Case Studies**" on 25.05.2021. The students who attended the webinar really enjoyed your presentation. The insights of RTI Act and relevant case studies were magnificently explained by you.

We appreciate you making time in your busy schedule to speak to our students.

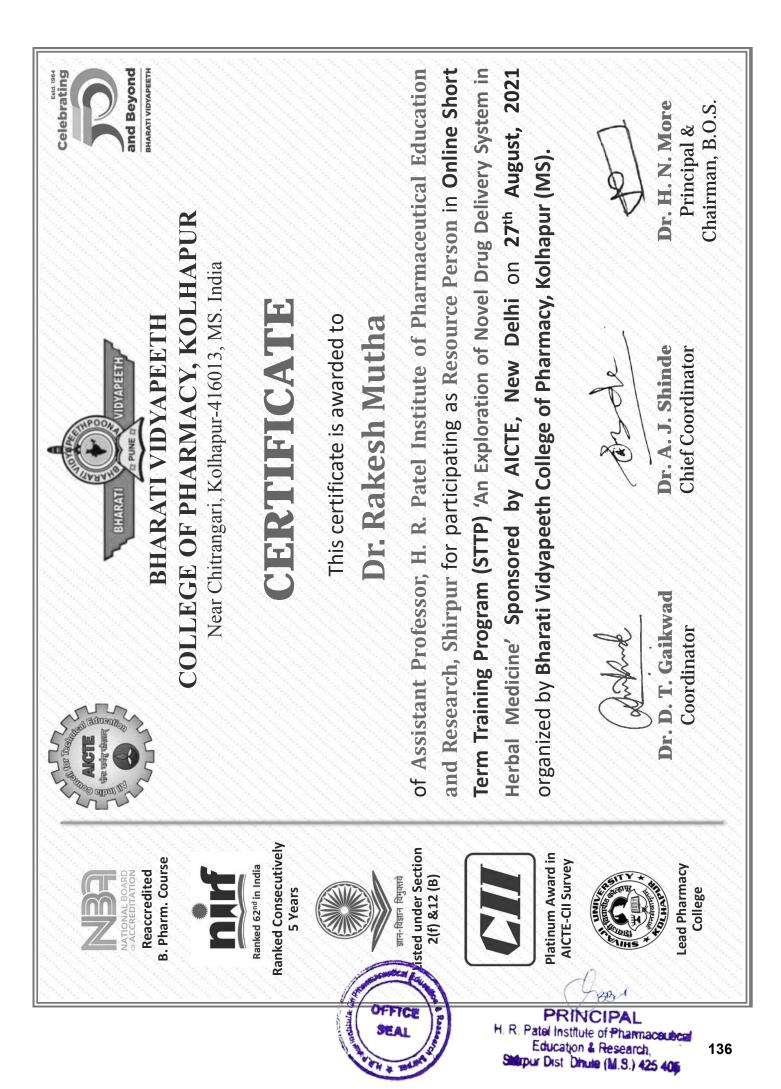

Thank you so much.

Sincerely, P.U. Valvi

Subject: Invitation as a Resource Person for the Short-Term Training Program.

Dear Sir,

It is a pleasure to inform you that Government College of Pharmacy, Aurangabad is hosting AICTE Sponsored one week online short-term training program on "Advances in Pharmaceutical research: A Journey form academics to industry" from 14 to 19 June 2021.

I cordially invite you to share your expertise on the topic "Graphene nanomaterials in biosensing and environmental remediation applications: opportunities, challenges and societal relevance" to enlighten our participants.

You are requested to kindly extend your consent and share the following information.

- 1. Brief resume and recent photograph
- 2. Abstract
- 3. Evaluation sheet 5 MCQ questions
- 4. Power point presentation

GCPA

5. Bank details

Schedule of your talk: 6/14/2021 from 10.30 am to 1.00 pm

I shall be grateful if you could kindly send me the details before the date mentioned. The honorarium will be paid as per AICTE norms.

Thanking You,

Yours Truly,

ucmargh.

Associate Professor Department of Pharmaceutics, H. R. Patel Institute of Pharmaceutical And Research, Shirpur, Dhule, Maharashtra

Dear Sir,

Greetings from IBSD, Imphal, Manipur.

We are writing you with reference to the setting up of Science Museum in Aspirational Districts Manipur as advised by Department of Biotechnology, Ministry of Science and Technology, Government of India, to celebrate the 75 years of Independence and various celebratory activities are being organized as a part of this occasion based on Jan-Bhagidari. The Science Museum was established at Maha Union Govt. Hr. Sec. School, Japhou, Chandel, Manipur with an aim to inspire the school children for a career in science and technology while celebrating the history and future of research and innovation in the country. Further continuation to support this activity, Institute of Bioresources and Sustainable Development (IBSD) at Imphal, Manipur plans to organize the online Webinar series on various exciting topics on science related with bioresources. Given your expertise in this field your participation would be valuable. In this context, we are inviting you as a speaker to deliver a talk to school and college students of Manipur on 11/08/2022 at 4.00 pm – 5.00 pm.

Hope you will be able to manage some time from your busy schedule please. With regards

(Y. Rajashekar) Scientist-E and Co-ordinator

To, Dr. Vivekanand K. Chatap, Associate Professor, HR Patel Institute of Pharmaceutical Education & Research, Shirpur, Dhule

## **Dear Sir**

I would like to take this opportunity to thank you for giving up on your valuable time to talk at our institute. It was a great pleasure to hear you talk about "Expectation of NEP-2020 and Pharma Industries from Academics: What to Instill in Budding Pharmacy Students" on the occasion of Savitribai Phule Pune University, Pune Sponsored Two Days State Level Workshop on "Implementation of National Educational Policy 2020 – Industry Institute Linkage". It was quite apparent how every single delegate at the event was engrossed by your talk.

We sincerely appreciate you for taking out time from your busy schedule to provide us with such valuable information. Everyone present at the occasion was not only in awe of your knowledge, but also greatly impressed by your presenting style. The lecture earned a huge positive response. All thank to your support.

I look forward to our next interaction soon. Wishing you all the best for your future endeavors.

Thanking You.

## Subject: Invitation as Resource Person for State Level Workshop

## Dear Sir

Greetings from Workshop Era!!!

We are pleased to invite you to the Savitribai Phule Pune University, Pune Sponsored Two Days State Level Workshop on "Implementation of National Educational Policy 2020 – Industry Institute Linkage" scheduled from February 10<sup>th</sup> & 11<sup>th</sup>, 2023 at Matoshri College of Pharmacy, Nashik, Maharashtra, India.

It is an honor and privilege to invite you as Speaker in this Workshop. We believe that your contribution to this field will be of great benefit to all the attendees round the globe.

Your expertise and knowledge in the field of "Pharmaceutical Education" would add a great value and provide guidance and path-breaking ideas to lead their way through the tough competition in the Global market on this day. With your vast and in-depth knowledge in the area, you would be expected to deliver on latest trending topics of the workshop.

For any further queries please don't hesitate to contact us. We will be happy to help.

Thank you.

## rediffmail

## Subject: Thank you for the review of CARBPOL-D-22-07030

From: Carbohydrate Polymers <em@editorialmanager.com> on Wed, 18 Jan 2023 11:26:05

To: "Vivekanand Kisan Chatap" <chatap@rediffmail.com>

Ms. Ref. No.: CARBPOL-D-22-07030 Title: Further insight on processing-structure-property relationships in superparamagnetic cellulose papers and their resinimpregnated nanocomposites: A case study Carbohydrate Polymers

Dear Dr. Chatap,

Thank you for your review of this manuscript. We very much appreciate your assistance.

I hope you enjoyed having access to references, abstracts, and full-text articles in for 30 days. If you have not yet activated your access, you can use your EM login details to register at www.scopus.com/reviewer up to 6 months after you accepted the invitation to review.

You may access your review comments and the decision letter (when available) by logging onto the Editorial Manager at https://www.editorialmanager.com/carbpol/. Please login as a Reviewer:

Your username is: chatap@rediffmail.com

If you need to retrieve password details, please go to: http://ees.elsevier.com/carbpol/automail\_query.asp

As a token of appreciation, we would like to provide you with a review recognition certificate on Elsevier Reviewer Hub (reviewerhub.elsevier.com). Through the Elsevier Reviewer Hub, you can also keep track of all your reviewing activities for this and other Elsevier journals on Editorial Manager.

If you have not yet activated your 30 day complimentary access to ScienceDirect and Scopus, you can still do so via the [Rewards] section of your profile in Reviewer Hub (reviewerhub.elsevier.com). You can always claim your 30-day access period later, however, please be aware that the access link will expire six months after you have accepted to review.
