| Name of Speaker | Mr. Salil Pendse |
| Date of activity | 28 Feb 2023 |
| Objectives | Interpersonal communication motivation is one of the key factors that play a significant role in why people communicate and what they accomplish in their life. |
| In charge | Mr. D. M. Patil & Dr. R. S. Tade |
| Number of Participant | 81 |
| Brief Report on activity | <p>A person who has greatly contributed to interpersonal communication motivation theories is Abraham Maslow. His hierarchy of needs explicitly explains why people are motivated to do certain things. It went as far, as to create strict needs that people are driven by in a lifetime. The theory of reasons for communication by Maslow states that people are genetically predisposed to act in a specific and concrete way that is centered on satisfying physiological and psychological needs. One of the most important contributions of Abraham Maslow is the hierarchy of needs.</p> |
