

HRPIPER Alumni Association Details

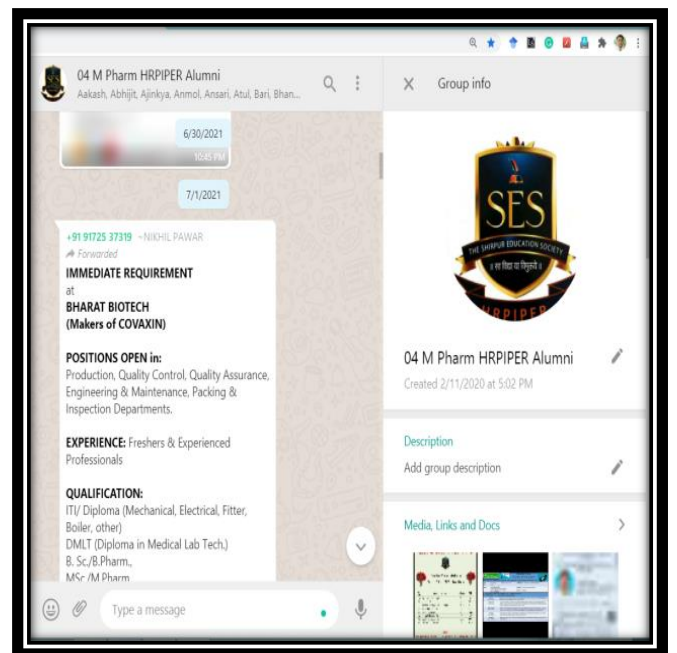

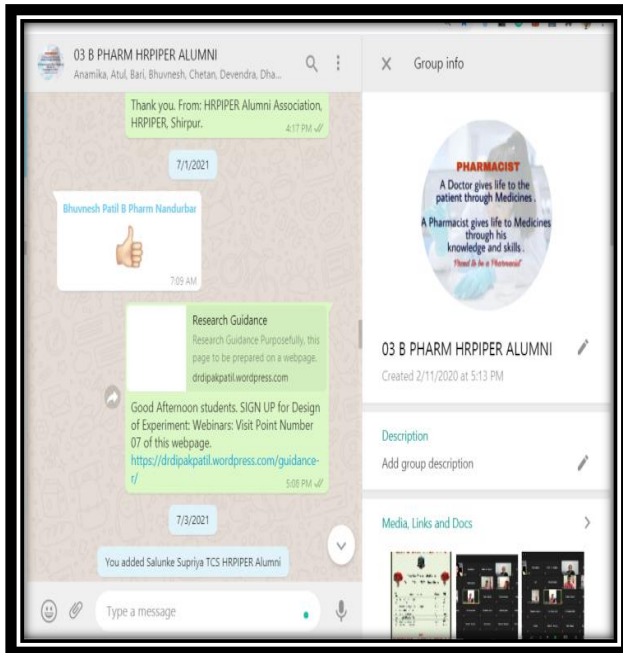

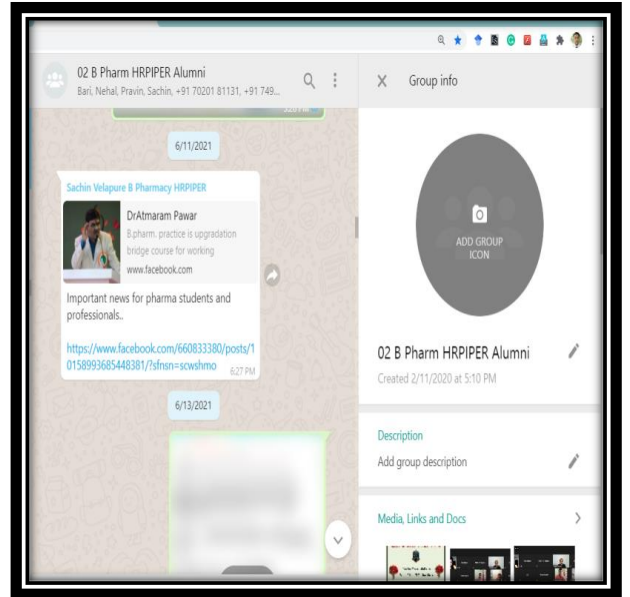

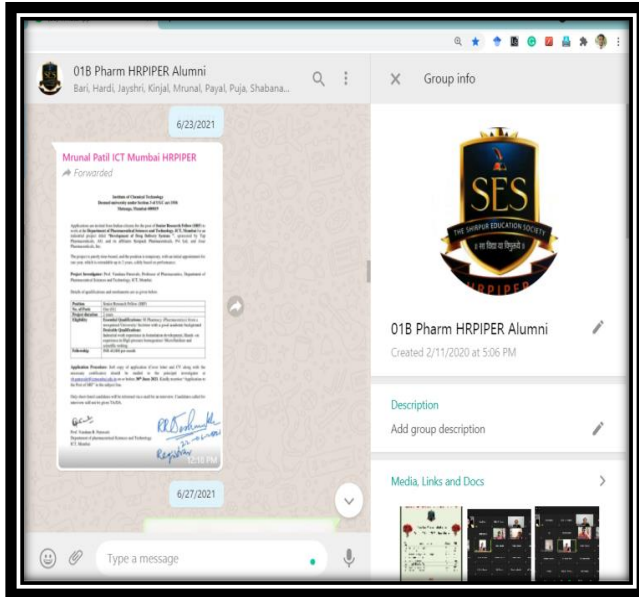

The H. R. Patel Institute of Pharmaceutical Education and Research (HRPIPER) Alumni Association was formed and registered in 2011 with registration No: 12933.

Till now,

- The contribution of the HRPIPER alumni association is in the education field as we are arranging the regular interactions of alumni with current students.
- The alumni association is keeping current students updated with recent developments in the Pharmaceutical Industry through interactions, talk of alumni.
- The placement of current students through alumni association is carried out. For which we had an alumni Association WhatsApp group.
- In research, alumni having collaboration with current faculty lead to advances in PG Research projects, publications, etc.
- The association provides Reference letters, recommendation letters to alumni who require them for further studies.
- The alumni are directed to put their opinion on the progress of the institute as stakeholders through Alumni survey forms, exit survey forms, etc. which are to be practiced for accreditation bodies like NBA, AICTE, etc.
