Hi Sir,

As discussed below is what we discussed and need details from your side

- Since Training on Interview skills (Communication and Employability skills) is the session for 30 hours, **it can be divided into days for 6 hours per day**
- We will require a college to provide **Trainers food facility including breakfast, lunch, and local transportation**
- We will require **seminar hall or training rooms accommodating 60 students per trainer**
- We need the **exact confirmation dates** from you for the training as soon as possible
- Need an acknowledgment on Training time as **10:00AM to 05:00 PM (6 Hours Training 5 days)**
- We need a **list of the total number of students (Full name, contact number, email address, branch or stream) attending training with registration on the below link** as online registration so that we know the number of students will be attending the training.
- Basis the total number of students registered for the training, we will decide on sending the total number of trainers. **1:50 is the ratio**
- Name and contact of the concerned person coordinating the training and placement of the students.

Note : If the students count is very low then college have to take care regarding traveling cost and trainers cost (Accomodation, traveling, commercial).

Thanks and regards
